

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Club meeting at Sanderson Field

Thursday July 14th

CLUB MEETING

The PUD has closed the meeting room access until further notice due to COVID-19

Minutes from last months meeting:

Treasurer report - \$19,938

No Scholarship this year.

The State's requirements to have an FEIN to be non-profit means we will probably loose our non-profit status. Which means we will no longer be able to do Oysterfest. The AMA district XI VP is checking with the AMA to see if we could possibly use their FEIN.

Other events to raise money?

The Jamboree went very good, even with the weather no one complained and we got lots of flying.

Do we want to do it again?

Changes for next year if we do it again:

Possibly a designated swap meet area.

Move it to second weekend in July?

Let people know the gate has to be locked at night.

Winter build challenge July 16th and General fly-in on July 17th

Meeting adjourned 6:40

The club has a new Facebook page.

There is 1 free weekend day this month unless there are changes, Sunday July 3rd. We could have a club fly-in if anyone is interested.
Hunter Farms

Someone has been driving over the cable gate at the other end of the field. Jack and I fixed the cable so it's back up

where it belongs. We put a keyed lock on it and gave the key to Hunters.

Many thanks to the mowers! Jack Mitchell, John Sommer and Ken Nelson. Hunters is looking good!

We are planning on pushing the blackberries back 10' or so on Saturday July 2nd if all goes according to plan.

AMA JAMBOREE

As you can see, the weather wasn't great but there was lots of flying to be had.

AMA JAMBOREE / WINTER BUILD CHALLENGE

Of course the weather leading up to the jamboree was good and then... it wasn't. Everyone had a good time and we still got lots of flying in. Lois Strom and crew did a very nice job of the dinners and lunches. There were a couple of crashes of note. Bob Bailey lost a very nice Skyraider and someone lost a nice Spacewalker. There were Turbines and Helicopters also. A formation flying demo with 2 B-17s and a B-24 was fun to watch.

Thanks to all the club members who showed up to help!

We cleared about \$2000 for the event and interest was expressed for having it here again next year.

DUES ARE \$75 IF PAID BEFORE JANUARY 1ST, \$100 THEREAFTER.

IF YOU JOIN IN THE LAST QUARTER OF THE YEAR YOUR MEMBERSHIP IS GOOD FOR THE FOLLOWING YEAR.

Winter Build challenge is rapidly approaching (July 16th)

This years winter build is going to be low key, just bring out your latest project and fly and we are having a general fly-in on the 17th so come, spend the night and fly all day Sunday.

The weekend of July 2nd and 3rd is open at Sanderson Field as there has been a cancelation.

So far we've been getting a pretty good crowd on Thursday afternoon, come on out and join the fun.
