CHARTER NO. 3079

Club meeting at Sanderson Field

Thursday July 13th

CLUB MEETING

The PUD has closed the meeting room access until further notice due to COVID-19

The state patrol will be on the runway earlier in the day on the 13th, I don't know when they will be gone. I would think after 5 would be ok but I don't know for sure.

AMA Jamboree

WSP has the runway on Thursday the 13th, I checked with the WSP and they have no idea when they will be done that day. Probably no access until after 5:00 pm. Early arrivals will need to stage outside the field until they are gone. We will set up parking on Wednesday the 12th and possibly repaint the lines on the runway. We need white marking paint.

The Strom Family will do

the dinners and the club will need to do lunches, We will need someone to cook burgers and dogs. Breakfast will be doughnuts and coffee.

We will need someone for Registration.

Locking the gate at night - Ask the Port if we can leave it dummy locked, if not use one lock with a different combo and post the combo.

We will need someone to sell raffle tickets.

Tom has walkie talkies, PA system.

We need sand bags for the pilot barriers as the ones from last year have

deteriorated. Bill can get more bags.

Do we need a dumpster for the weekend - no

We need to get two porta-potties for the weekend with a wash station.

Other positions we need volunteers for - Concessions, Air Boss, spotters, garbage collection.

I have a list of volunteers going, If you are available let me know. If you have already contacted me you are on the list.

Meeting adjourned 7:30

2023 AMA NORTHWEST JAMBOREE

JULY 14TH ~ 16TH, 2023

SHELTON, WA

Welcome to the 2023 AMA Northwest Jamboree

Hosted by the Academy of Model Aeronautics and the Sanderson Field RC Flyers, this is the biggest all inclusive fly-in in the District!! This years event will be held at the Sanderson Field RC Flyers site in Shelton, WA. The flying site is on the inactive runway at Sanderson Field, and it features a 2000'x200' paved runway! There will be a raffle at the end of the weekend, an auction for some great prizes on Saturday night, vendor booths, vendor product demos, aircraft demos, swap meet, and so much more. So come on out and enjoy a great weekend of model aircraft! There is tons of pit area for awnings and chairs, and food concessions will be available on site for breakfast and lunch. Dinners will also be available on Friday and Saturday night, with tickets being sold at the event registration table.

Directions: Go North on HWY 101, go past the main entrance to Sanderson Field. Sanderson Way is the next turn to the left. This is the industrial entrance. Turn left on Sanderson Way, the road winds around a little but stay on the main road. Watch on the left and you will see the runway we fly from. Go past the gate that looks down the runway to the second gate.

Remote control and control line open flying allowed all weekend, except during vendor demo periods. We can not allow free flight or FPV flying at our facilities. Turbines are welcome unless there is an active burn ban at the time of event, and we will keep the AMA Northwest Jamboree website up to date with burn ban info.
