## Club meeting at Sanderson Field

Thursday September 8th

### CLUB MEETING

*The PUD has closed the meeting room access until further notice due to COVID-19*

Minutes from last months meeting:

No Treasurers report, no Treasurer.

Safety Report - "Don't be Stupid"

Last meeting we voted to host the AMA jamboree again in 2023. We will swap weekends with the winter build to hopefully get better weather. So Winter build June 3rd and 4th and the Jamboree July 14th -16th

Dawn Patrol went well and Hunters is looking great. The blackberries have been pushed back, we won't have to worry about them for a while.

We are good to go for Oysterfest ( the first weekend in October ) however we could use some more volunteers. I am keeping

a list of volunteers, please let me know if you would like to volunteer. We do need a commercial kitchen for batch prep. Bob T. will check with the Transit station.

A motion was made to host a NWSAM scale competition next year, motion passed contingent on being able to get another weekend from the Port. The Date we would like is September 16th and 17th.

The proposed schedule for next year is:

June 3rd - Winter build  
June 4th - Open fly-in/ Tailgate swap meet

July 14th -16th - AMA Jamboree

September 16th and 17th - NWSAM scale contest if we can get the dates from the Port.

Meeting adjourned 7:40

The board meeting and regular meeting are in the same week this month

### OysterFest

Oysterfest is only a month away and we still need more volunteers! We need at least 2 people with food handlers permits and we need someone with a food handlers permit to sign for the prep kitchen.

This is our only scholarship fund raiser, it would be nice to get some club participation!

We are going to need some strong backs on Thursday September 30th to get the sandwich machine and refrigerator set up.

This is a fun event with lots of different kinds of food and as a volunteer, you get in free.

## DAWN PATROL

The Dawn Patrol was not very well attended but it was a perfect day, no wind and not too hot. The club provided lunch and we collected enough to pay for it with a little left over. All in all it was a great day.

We had a guy come down from up north somewhere after seeing the event in the AMA magazine. He brought a very nice Tiger Moth and flew very well.

# SCALE CHAMPIONSHIP

The Championship began with an overflight towing the flag (RC of course) The weather Friday was pretty nice, a little wind but not bad and we got a little practice in. Saturday started out windy and went down hill from there. I believe winds hit 30mph with higher gusts. Check out the club's facebook page for some video. Sunday was perfect and we got 2 rounds in, no one from SFRCF brought any trophy's home. There were 40 pilots registered, fun weekend!
