CHARTER NO. 3079

Meeting at Sanderson field in October

Weather permitting

CLUB MEETING

The PUD has closed the meeting room access until further notice due to COVID-19

The AMA has approached us about holding the AMA Jamboree here next year. The date would be June 10th-12th. A motion was made and seconded and passed. It could be a good fund raiser. Whenatchee has been making between 4 and 5 thousand. Of course we have to factor in the cost of renting the field.

NWSAM has also asked if we would like to host a scale contest next year. A motion was made and passed. Probably around July 16th and 17th.

Dave will see what dates we can get for other events, Possibly a EDF fly in.

We will be having a Christmas party this year. The gift exchange will work like previous years, Guys bring hobby related gifts and Gals bring girlie stuff. \$10 limit on

gifts. It will be on the regular meeting night, December 9th. The club will provide the main course, usually Turkey and Ham, the rest is pot luck. I will maintain a list of what is being brought and keep everyone posted so there aren't too many duplicates.

Officer nominations are in October with elections in November.

Upcoming events:

The Monroe swap meet is Halloween weekend October 30th & 31st. They are also holding another one in April.

The Red Apple Flyers are also having a swap meet in April.

Tom is looking into the museum as a possible venue to have our swap meet.

The Lake Nahwatzel float flyers club is quitting. There aren't enough members to pay

the bills or do the work. Does SFRCF want to take over? Something to think about.

Meeting adjourned at 7:45

Burt Daggett

1939 - 2021

Another long time member has passed away after a battle with alzheimer's. His family held a celebration of life for Burt at Sanderson Field on September 26th and a few club members attended. Many thanks to Bob Treinen, Jack Mitchel and Eric Oberg for their help in setting up and tearing down.

KENTFIELD SALE

I will be holding the garage sale for Chuck's stuff on Saturday October 2nd. I previously said the band saw was sold, it is still available. The drill press was sold. The weather is looking pretty good for the 2nd. Proceeds go to the club.
