## Christmas Party at the Church

Thursday December 8th

### CLUB MEETING

*The PUD has closed the meeting room access until further notice due to COVID-19*

Minutes from last months meeting:

Not much to report on last nights meeting, the club is providing a turkey for the main dish at the Christmas party (Thanks Aaron for cooking it!). The Christmas party is now 1 day shy of 4 weeks away (Thursday Dec 8th ). I have as yet not received anything to put on the list of side dishes/ deserts. We are doing the gift exchange again this year. Limit of \$10, hobby gifts for the guys and the ladies can do what they like. 2 separate exchanges.

The Christmas party will be held at the Calvary Fellowship church at 50 E Island lake Rd.

As there were no run offs and only 3 nominations there was no need for a vote. The club officers for next year are:

President - Aaron Cleveland

Vice President - Dave Windom

Treasurer - Bill Judge

Secretary - Bob Beatty

Safety officer - Jeff Sterba

If you have already renewed your membership and have received your new card, don't throw away your 2022 card. The combination on the 2023 card will not be active until January. That combination is good for the Port-a-pot, the shed and both gates. Sanderson and Hunters. There is still time to renew for the \$25 discount for early renewal. January 1st it goes up to \$100.

I hope everyone has a great thanksgiving!

Thanks to all our veterans,  
Thank you for your service!

Welcome new member Robert Parks

### Christmas Party

The Christmas party is only a week away and there is not much on the menu, we could use a pumpkin pie or two ; )

Turkey  
Rolls and Mashed potatoes  
Baked bean casserole and cole-slaw  
Mixed fruit bowl  
Olives, cranberry sauce and Jelly  
gravy, plates, knives and forks and napkins

There is going to be a raffle but you'll have to come to see what the prizes are.

We will be having the gift exchange, \$10 limit (optional) hobby related gifts for the guys and the ladies can do what they like.

I sure would like to see some more people show up, we used to get a real good turn out at the Christmas party.

Of course the runway is clear all weekends in December.

# WINTER BUILD

I started my Goldberg cub October 21st and am now to the point of gluing the windows in and getting some graphics from Callie graphics. I had to cut the cowl up pretty good to get around the Saito twin .60 four stroke. I picked up some landing gear for the Eflite 25E cub. Rustoleum golden sunset was a pretty close match to the Solar-tex cub yellow covering.
