

# *MRRCS 2019*

# *Electric Fly-In*

Saturday May 4, 2019

9 AM - 4 PM

## **WANTED: PILOTS, GUESTS, AND SPECTATORS**

Take advantage of this unique opportunity to fly at the Pacific Northwest's finest RC model airfield – **Pfeiffer Field**. We offer a truly scenic flying area with plenty of open airspace, a paved runway, covered shelter, electrical outlets at all tables, and plenty of room for personal canopies.

- Open to all type and size electric powered models
- All skill levels invited - Novice to Expert Pilots
- Pilots must be current AMA Members
- Practice quad course set up to practice your drone skills
- Got Lights? Night Flying to 10 PM
- Camping area for overnights... RVs, trailers, and tents
- One prize drawing ticket is included with landing fee. Tickets are also awarded for each complete flight. Drawings Saturday afternoon.
- Landing Fee: \$20 (includes lunch)
