

SANDERSON FIELD R.C. NEWS

1st fly of the year

CHARTER NO. 3079

CLUB MEETING

*This month the meeting will be held
on Thursday January 12th. Doors
open at 6:00 p.m..*

at PUD #3

At 3rd & Cota

The PUD is moving to the new facility on John's Prairie in March. Our meetings will be held there if all goes according to the current plan. I'm told the new facility will have a bigger meeting room and it will still be free to use.

The Christmas party was well attended and there was lots of great food. Burt and Mary have gotten many requests for the dish she brought to the party so I am including it in this newsletter. (See page 2). After dinner the story of the Wright family was read for the gift exchange. Thom Martin tells me Deanna has written part II of the Wright saga which sounds like even more fun.

The weather is not looking good for the annual first fly of the year but I will be at the main gate at 9:00 am on January 1st, even if all I do is change the combo on the gate but I'm hoping to get at least a quick flight in.

Contract negotiations are about over, the contract this year is a little more favorable but not much.

Moral of the story

The moral of the story-----

The teacher gave her fifth grade class an assignment: Get their parents to tell them a story with a moral at the end of it. The next day, the kids came back and, one by one, began to tell their stories.

There were all the regular types of stuff: Spilled milk and pennies saved. But then the teacher realized, much to her dismay, that only Janie was left.

“Janie, do you have a story to share?”

‘Yes ma’am. My daddy told me a story about my Mommy. She was a Marine pilot in Desert Storm, and her plane got hit. She had to bail out over enemy territory, and all she had was a flask of whiskey, a pistol, and a survival knife.

She drank the whiskey on the way down so the bottle wouldn’t break, and then she parachuted right into the middle of 20 Iraqi troops. She shot 15 of them with the pistol, until she ran out of bullets, killed four more with the knife, till the blade broke, and then she killed the last

Iraqi with her bare hands.”

“Good Heavens,’ said the horrified teacher. What did your Daddy tell you was the moral to this horrible story?”

“Don’t mess with Mommy when she’s been drinking.”
