

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Meeting at Calvary Fellowship Church

Thursday January 11th

CLUB MEETING

This is going to be the shortest newsletter ever, I've been sick since the day after Thanksgiving and am showing no signs of getting better. I am going to come out for a quick flight Jan 1st and change the combinations

They tell me the Christmas party went well although it was pretty lightly attended. Tom at Bigfoot hobbies very generously donated a Cirrus and a P-47, both foamys and suggested we do an MVP award. The P-47 will be used for the worker raffle at the end of next year. Work an event and you get a ticket. Jack and I were neck and neck until the last day when I got 1 more vote (Thanks Bill).

We did get approval for a 20' container to replace our shed so hopefully we can get all our stuff in one place.

The FRIA news is the same as last month, no word from the FAA.

I have heard of a few people getting their SkyID modules. Still no sign of mine.

First flight of the year

Some of us are going to be there around 10:00 am and I'm going to change the combinations for the new year so make sure you have your new card or come at 10:00 am

FRIA NEWS

Hunters has been approved as a FRIA. They are still looking at Sanderson and have asked three questions.

1. How do the sky divers impact you operations
2. Is your area fenced
3. How long have you been in operation

These questions have been answered and we are **STILL** waiting for the determination from the FAA.

I want to remind everyone that January 1st is coming up, if you haven't renewed before then it will cost you \$100. Before January 1st it's \$75. Also the lock combinations will be changed on the 1st for the new year.
