

SANDERSON FIELD R.C. NEWS

January meeting at the Calvary fellowship church

Thursday January 8th

CLUB MEETING

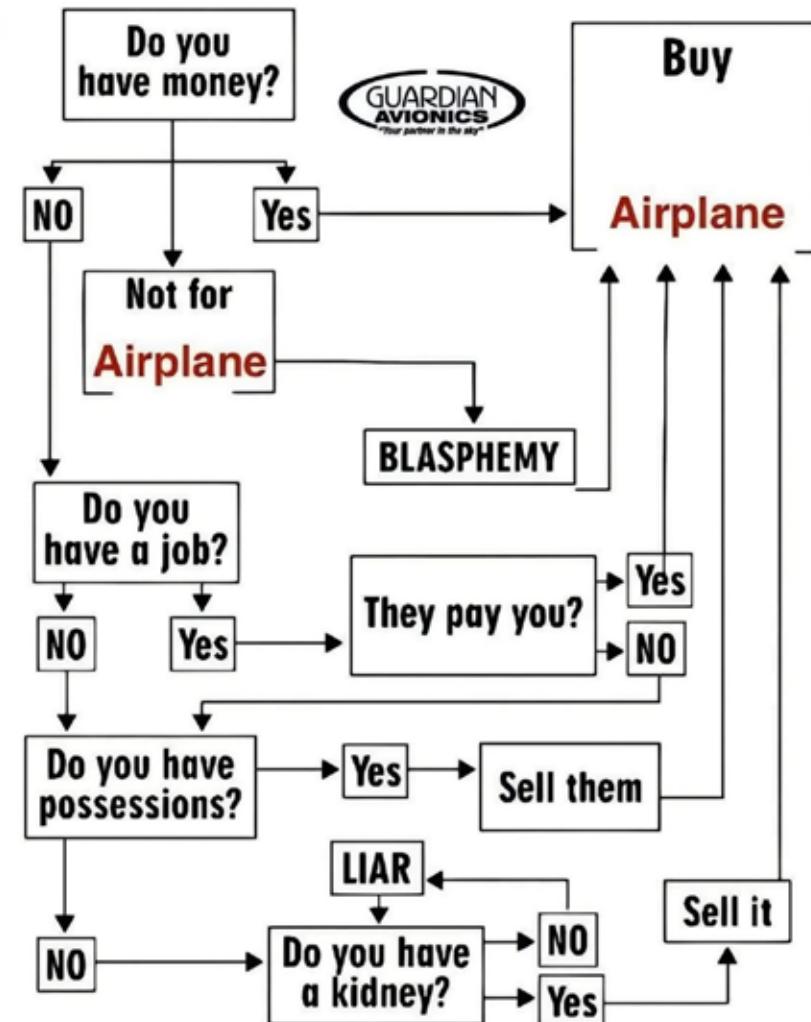

With the new ruling from Homeland security, (I've included the full text as an attachment to the email) I thought this flow chart might help you decide whether to buy another airplane or not.

I will be changing the lock combinations on the 1st at Sanderson and Hunters so if you don't have your new card you won't be able to get in. The gate will most likely be open for the first fly of the year.

At some point the Port fixed/replaced the runway camera. See page 2 for more info.

So far the forecast for the first is slight chance of rain, hope to see you there!

Right in front is the active runway and straight out in front is the inactive (our) runway.
