

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Northwest Model Hobby Expo (Monroe) Feb 8th, 9th & 10th

CLUB MEETING

*This months meeting will be held
on Thursday Feb 14th.*

*at PUD #3
2621 E Johns Prairie-
eRoad, Shelton, WA*

No Minutes - Christmas party
Treasurers report read and accepted
as read.

Tom Strom reported on
the new contract which has been
signed. The contract is virtually
the same excepting we only have
2 required days, down from 4, and
they can be canceled.

Dick Robb motioned to
bring a couple of the stands from
Hunters to Sanderson field, motion
passed. The stands MUST NOT be
left on the runway. If you get one
out you are responsible for putting
it away. It's likely that if the Port
finds one left out, we'll have to
remove them.

Darcy Niebeling Motioned
to reserve 2 paid events, 1 fun scale

event and 1 normal club flyin with
lunch. motion passed. Dates and
landing fee's to be determined.
we need CD's for the 2 events as
paid event will be sanctioned, Dick
Robb is the tentative CD for the
fun scale event. Tom Junior will do
the flyers.

Aug 24th and 25th have
been reserved for the north vs south
shootout Pylon race.

Dick Robb mentioned that
the Olympia club is looking at the
idea of having a Monroe type pro-
gram, minus vendors, in southwest
Washington. The club liked the
idea, more research is needed.

Ken Nelson brought up
the idea of a shed and mower at
Hunters so the grass could be cut
by club members who don't have/
can't haul a mower. Aaron Saeger
said he had a shed he would like to
get rid of and would donate (wife
approval required). John Tupper
and Ken Nelson will look into the
cost of a decent riding mower and
report next meeting.

Dick Robb Motioned to

have the club buy 4 tables for the
donated large scale and free flight
planes and put out a flyer for club
members before Monroe. Motion
passed.

Tom Junior talked about the Hobby
Town specials for SFRCF members
and also about having a club build.
Special flyers coming.

Tom Strom thanks all the
people who worked on Hunters last
year.

Tom Strom noted that the
club funds for 2 trainers turned in
to 3. One is set up with a Spektrum
radio, Bob Beatty volunteered to be
the caretaker/trainer for that plane.

Darcy noted that we should
have some training sessions at
Hunters also.

Bob Beatty won the raffle
of 1 gallon of 15% glow fuel.

Meeting adjourned 7:55

Donated Planes going to Monroe

Sanderson Field RC Flyers Indoor Flying

I have set up with the Shelton School District the opportunity to rent one of the gymnasiums in the district for indoor RC flying. We can use any gym in the district that is not being used, and rent the site on the per hour basis. If we rent on the weeknights, our fee is only \$10 per hour!! The weekend the fee jumps to \$40 per hour as they need to bring in a custodian just for us. How many of you would be interested in meeting on a weeknight every other week for a few hours of warm and windless RC fun?? Please respond back to Tom Strom Jr. at flyboy23e@aol.com if you are interested in this, and what nights would work best for you! This is a great opportunity to do some quality flying during the winter season! I look forward to hearing from all of you!!

Tom Strom Jr.

SFRCF Club Build 2013

Below is a list of aircraft that would make great airplanes both to build and fly! We are trying to get as many people interested as possible to participate in a club aircraft build. All who participate would purchase the same kits, and get together once a week to work on the kits together! We are still looking for a place where we can all get together to build, but that info will come soon. For now we need to know who would like to join in, and which airplane we want to build. Please email Tom Strom Jr. at flyboy23e@aol.com if you would like to participate, and the aircraft you would like to build. The aircraft with the most votes will be chosen. Hope to hear back from all of you! Deadline to return your info is Sunday February 10th. Thanks everyone!

Balsa USA MoonRaker - \$90

Bridi Dirty Birdi 60 \$120

Bridi Utter Chaos .40 \$70

Bridi Vegabond .40 \$75
