July 15th and 16th AMA
Jamboree - Sanction?

Oct. 7th and 8th?
Oysterfest - Get started earlier

August 12th Dawn Patrol
- Paul will sanction

We would like to do a group build of Flight test fomes, not all the same just in the \$20 range. The Idea is to have a fly-in with

them and get them all in the air at the same time. Let me know if you are interested, if we get enough people we'll do it.

Welcome new member Randy Hansen.

Meeting adjourned 7:40

To illustrate the need for control checks before flight I took my new Beechcraft D-18 out to fly and during my control checks I noticed one of my ailerons wasn't working. Inspection revealed that the control horn had snapped off and the control rod was just dangling there. Had I taken off, it could have been the end of that plane! Always do a control check before flight!
