CHARTER NO. 3079

Meeting at Calvary Fellowship Church

Thursday february 8th

CLUB MEETING

There are no meeting minutes as only 4 of us showed up for the meeting.

I reached out to the AMA to see if they had any more info on our FRIA, Below is their response.

Good afternoon Mr. Beatty,

I'm reaching out for Ashton Lewis as he will be involved in some other department projects for a while - I'll be stepping in and assisting some of his outstanding cases.

I've looked into your site and it still sits in the review column of the FAA's queue. I see they had some follow-up questions which you and Ashton answered and it looks like they should be wrapping things up in the near future.

We were able to attend a meeting recently with the FAA FRIA team who stated they will be picking up the pace of

their review through the end of January and we've already started to see an increase in responses!

I'm sorry they're dragging this process out, but if anything other than an approval comes back we'll step in immediately to get things back on track.

Let me know if you have any questions,

Now you know what
I know.

ARCS has gotten a letter stating they can fly without Remote ID and while not technically a FRIA it amounts to the same thing.

Unsurprisingly the month of February is completely open, no car clubs.

If you would like to see the FAA's map of FRIA's go to FAA's web site and look for FAA's UAS Facility Map. Once you find it you will have to click on the Layer button. deselect everything but

FRIA's. Hunter's is so small you have to zoom WAY in.

ONLINE SCALE JUDGING SEMINAR

Wondering about an on-line Judging/Pilot's Seminar? Well, wonder no more.

Save The Date: February 24, 2024

Save The Time: 08:00 am - 12:00 (ish)

Topic: Scale Flight Execution and Judging

The purpose of this class is to train new flight judges, refresh the skills of existing judges and remind pilots about the importance of following the NWSAM Competition Guide on maneuvers. That said, we don't turn anyone with an interest away. If you know someone who would like to become a judge or who might want to give Scale Airplane Competition a try, feel free to pass this email along.

Notes:

We will NOT be sending out hard copy course materials this year. We will email or send links to the information.

To attend you will need access to Zoom- i.e. the ap on your phone/laptop/tablet or desktop. No in person event is planned.

If you plan on attending, please reply just to me at bxting@cs.com - no sense in filling everyone's inbox.
