Get ready for our first big event of the year! Next month we will be hosting our annual Spring Fling and Swap meet on Saturday, March 15th. The Swap Meet is open to the general public from 8am to Noon and all are welcome to bring airplanes/helis and R/C related items to sell. The swap meet will be located in the grassy area between the parking lot and the flying field. Not a member of the club? Now is a great time to fly at our field with current AMA to check out our new facilities and Charging Station. Membership to MaR/C is only $60 a year.
Need to clean out that garage of older airplanes gathering dust but don't feel like the hassle of selling them? Donate them to the club! The proceeds will help purchase spare parts to get our training fleet back in tip top shape for next Spring. Contact Chris Randall via Email. chris.randall411@gmail.com to arrange drop off at the field or possible pick up.
