

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

CLUB MEETING

This months meeting will be held on Thursday May 12th from 7:00 p.m. Doors open at 6:00 p.m..

at PUD #3

At 3rd & Cota

Minutes were read and accepted as read.

Treasurers report was read and accepted as read.

Burt Daggett will put the signs out for the swap meet. We will have Coffee and doughnuts, Burt will bring the coffee and Bob Beatty will bring the doughnuts. Chuck will get change.

Dick Robb noted that he reminded the TCMAA members of the swap meet. He also noted there is a lot of stuff from the Bowcutt estate and we need all the help we can get moving it in and out. Bob Beatty said he told Burt Daggett that the table he needed for the quilt would be free, proceeds from the quilt raffle will be donated to the club.

Dick noted TCMAA is having a fun fly on May 14th and Clark Co. Radio Control Society is having a float fly on April 23rd at Tug lake.

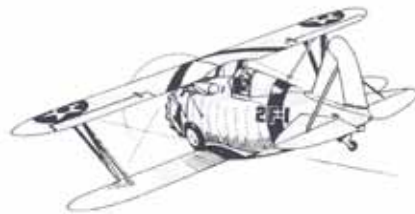

Gordie Osberg has been out to the new flying site at Hunter Farms. It seems to be firming up quite well and Burt Daggett is ready to brush hog the field when it stops raining for a while. Dick Robb suggested we develop a game plan after we can see what needs to be done out there so we know what man power will be needed. He also noted there is a mole problem out there.

The Forest Festival parade is June 4th, Burt Daggett has offered the use of his trailer for the float. He is getting the replacement decking and Bob Treinen has paint to

protect the plywood. It was decided to use indoor/outdoor carpet on the decking. When that is done we need to schedule a work party to get the float ready for models. Eric Ide offered glue to bond indoor/outdoor carpet to the deck. It was suggested we add fold out wings to the trailer to possibly cover the wheels. Eric Ide offers hinges for that. Burt will call when he is available.

Jay Lowe, brought 3 different sized helicopters for show and tell.

Meeting adjourned at 7:36

Sanderson Field RC Flyers hold 17th annual Swap Meet

By Royce Tivel

On April 16, 2011, the Sanderson Field RC Flyers (SFRFCF) held its annual swap meet. Planning for the event began early in the year by reserving space at the local Shelton, WA, high school: the event was held in the cafeteria. The venue was just right for a swap meet as there were plenty of tables and chairs, and lots of room.

Participants arrived at the swap meet at 8AM to unload their merchandise and set up the tables. The early birds greatly appreciated the coffee and doughnuts. The doors were opened to the public at 9AM.

This year, there was a huge selection of RC goodies from complete aircraft to balsa and covering. Swap meets are great places for wannabe pilots to find a complete trainer--ready to fly--or for the experienced pilots and builders to find just the right engine or other component for their new project--at bargain prices.

Burt Dagget, an SFRFCF member, and his wife brought a beautiful, handmade quilt (see pg. 4) to this year's swap meet and offered raffle tickets for a chance to win the quilt. The tickets are being sold elsewhere, as well, and the drawing will be held later in the year. Money from the raffle will be donated to the club.

SFRFCF has now held the swap meet enough times for returning participants to become friends.

It is great to visit and exchange news and ideas about the RC hobby.

This year's event was a great success and all participants are looking forward to the next regional swap meet.

Special thanks to Chuck Kentfield, Bob Beatty, Burt Daggett, Gordon Osberg, Richard Robb, Robert Mason, and Jay Lowe for their help in putting on the event.

These photos are a small sample of the Bowcutt estate. Donated by John Bowcutt. John had a long battle with Cancer and wanted his stuff to go to the club. We made about \$1900 at the swap meet and about \$2500 over all to go towards the new grass field. We will take the remainder of the stuff to the Toledo swap meet next month.

New field photos

The new spot is pretty scenic.

These photos should give you some idea of the size of the new area. That's Burt Daggett on his tractor giving the field it's initial cut with the brush hog. Thanks Burt! The second picture is taken from one end looking down towards the other end. If you look close there are 4 people, a car and a tractor down towards the other end. We do have permission to remove some wayward trees like the ones to the left of Burt in the first picture and the ones at the other end of the runway. See the picture on page 6

Quilt Raffle

04.16.2011

Burt and Mary have done a beautiful job on this quilt and wish to donate the proceeds of the raffle to the club so get a hold of Burt and get some tickets to sell

DUES ARE \$100.

**IF YOU PAY BY MAIL SEND YOUR DUES,
PROOF OF 2011 AMA MEMBERSHIP
AND A SELF ADDRESSED STAMPED
ENVELOPE TO THE TREASURER:**

**CHUCK KENTFIELD
3122 Madrona Beach Rd.
Olympia WA 98502**
