## May Regular meeting Location Undetermined

### CLUB MEETING

*This months meeting will be held  
on Thursday May 14th.*

***Watch your email!***

***21 W Sanderson Way Shelton, WA***

---

Minutes were read and accepted as read.

Treasurers report was read and accepted as read.

Paul Flemming gave a short talk on the upcoming scale qualifier and what it takes to be a judge. All you need to do is email Doug MacMillan at [aeronaut@telus.net](mailto:aeronaut@telus.net), and he will send you a judges packet. Also, you can find valuable information on the Northwest Scale Modelers website at [www.nwsam.org](http://www.nwsam.org). From there, you scroll over to the tab marked "About Us", and click on "Judges Corner".

Bob Bailey is going to be the CD for the scale qualifier to replace Tom Sr.. Tom Jr. is willing to take his place as Event director if needed.

The judging clinic is going to be on Saturday April 18th from 12:00 to 2:00ish, we've decided to have a club fly-in from 8:00 to 12:00 and maybe more flying after the clinic. This first fly-in will be a bring your own lunch kind of a thing with the usual potluck coming later in the year. If the 18th gets sold we will move to hunter farms.

Jody Diaz talked about Aviation days: We have heard back from the sponsors, do we want to participate. Bob Beatty checked with the Port about the runway use on that day and the car club has it rented so we will be unable to have flying demos. We will keep tabs on it.

The survey only netted 17 responses, not even 50%.

We've informed the boat club (John and Bob) that we wanted to use the crab sandwich machine. We need to find out when we can register for Oysterfest. We also need to line up people with food handlers licenses. We need one per shift. A committee was formed with Sharon Diaz as chair and John Tupper, Bob Trienen and Mike Jones as committee members. The Idea of an exhibit

was suggested, good idea but we will need people to man it.

There doesn't appear to be anything in the contract about EMS (For the scale event) however Eric and Greg are available Saturday and Sunday.

Jack Mitchell picked up a copy of the contract to check on the EMS thing and found out the rental price has gone from \$300 a day to \$500 a day.

Jody has some feelers out with the race track people for some kind of flying site.

Stacy Myers motioned to move the port a pot to Hunters for the summer, seconded and passed.

The Olympia airshow is June 27th and 28. SFRCF and TCMAA will have a joint booth for display of models. We are looking for NICE scale models to display for the 2 day event.

Jody has offered the use his box trailer for storage.

Sharon brought up the idea of a dawn patrol/golden age event at Hunters. Tom Jr. offered to check on dates that wouldn't conflict with other scale events.

# MINUTES (CONTINUED)

Buzz Wilson contacted Jody about rejoining the club and renting Hunter farms for a couple of 1 day control events. Jody Diaz motioned to have the control line guys have their events. Seconded and passed

meeting adjourned 8:10

I've had a few people complain the that the sold days last week weren't on the calendar in last month's newsletter, If you will notice the words under the calendar you will see it says: *Sold days can change, check out the website before heading to the field.* That's what happened last month and it can happen at any time. I always put the latest info on the events page

(scroll down for runway closures). I got an email from the Port 2 days after the newsletter was posted.

On that note, I got an email from the PUD on April 29th that the meeting room at the PUD was not going to be available to us this month. We are looking into options and I will send an email out as soon as I know where it will be.

The scale qualifier is this month (29,30 & 31). It's time to get your maneuvers figured out and start practicing.

Hunters has been mowed a few time thanks

to Burt Daggett and Jack Mitchell. Burt has also done the maintenance on the club mower. New blades, oil and filter change and a new battery. The mower will be at my house for anyone who may want to mow. Call the secretary to arrange a pick up (see club officers below).

If you haven't heard, the Hunters want to hay the surrounding area at the field out there so the grass will be taller around the edges until June when they hay. We have been told we can go back to mowing the whole thing after that.

**DUES ARE \$75 IF PAID BEFORE JAN 1ST, \$100 THEREAFTER.**

**IF YOU PAY BY MAIL SEND YOUR DUES, PROOF OF 2014 AMA MEMBERSHIP AND A SELF ADDRESSED STAMPED ENVELOPE TO THE TREASURER:**
