

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Meeting at Sanderson field in May

CLUB MEETING

The PUD has closed the meeting room access until further notice due to COVID-19

No Treasurers report

Safety - NO MASKS around propellers!

Start the year with a range check.

Spinning Propellers are dangerous be careful around them.

Our Event dates are set

~~Winter build~~ and tailgate swapmeet- June 5th

EDF scale event and tailgate swapmeet- June 6th

General Scale fly-in and tailgate swapmeet - July 17th

Lucky hand Fun fly and tailgate swapmeet - July 18th

Dawn Patrol and Golden age fly-in - August 14th

There was no interest in doing Forest Festival parade which is normally the same weekend as the Winter build challenge. We may revisit the question as the date for the parade is set for September 18th.

Dave Windom may have a gate to replace the half that's missing at Hunters, if not we may have to purchase one. Hunters field has been mowed and rolled and is ready for flying. Thanks to Jack Mitchel and Ken Nelson.

Meeting adjourned 7:25

Winter build has been cancelled, in it's place will be the South Sound season opener. There is a flyer on page 2.

I have replaced the lock on Sanderson field gate. The combination is the same. Look for a shiny new brass colored lock.

The Covid clinic is still doing Thursdays on the runway, it's staying light longer now and they are usually gone by 5:00 so you can fly after they are gone.

The Port's event calendar seems to be changing frequently so the best way to check would be to go to the Port of Shelton's web site (<https://portofshelton.com/airport-overview/>) then click on the *airport* menu item. There is an *inactive runway events* menu item there. The calendar scrolls if it's not on the right month.

So far the only weekend open this month is May 8th and 9th. Might be time for a club fly-in. This would be before the meeting. Let me know if you are interested.

SOUTH SOUND SEASON OPENER/EDF SCALE MEET

South Sound Season Opener

Hosted by the Sanderson Field RC Flyers - June 5, 2021

Welcome to the 1st South Sound Season Opener!

Bring what you have, an old favorite or a new bird that you'd like help getting into the air. Club members will be on hand to perform safety checks and help maiden.

Sanderson Field has a HUGE paved runway located on the inactive runway at the Port of Shelton.

There's dry camping available for those who wish to stay for the Electric Ducted Fan Scale Meet

Event will follow current COVID-19 requirements in place at the time of the event
No food will be served

Landing Fee is by donation.
AMA Required

Turbines MAY be allowed depending on fire danger. 400 foot altitude and distance restrictions closely enforced.
