CHARTER NO. 3079

Club meeting at Calvary Fellowship church

Thursday May 12th

CLUB MEETING

The PUD has closed the meeting room access until further notice due to COVID-19

Minutes from last months meeting:

We're looking pretty good for volunteers for the Jamboree but we could use more, please consider helping out on June 3rd, 4th or 5th or maybe even all three days.

It was brought up that we may need handicap parking, while I've never seen handicap parking at an RC event with the exception of Wenatchee Red Apple flyers field it's something to consider. We should have our first aid kit, defib unit and fire extinguishers checked as well.

It was suggested we park the airplane trailers on the edge of the field and the motor homes ahead of them across a (30'?) driveway.

Motor home slots 20' wide?

We still need to figure out how the layout will look.

The Port has been filling cracks and will mow before the event.

Will 4 portapot's be enough? There are two there

already, that would mean we will need to rent two more.

The club has a new Facebook page

<https://www.facebook.com/groups/537341904419915>

Be sure to check out your planes before flying this spring!

There are 0 free weekend days this month unless there are changes

May's meeting will be held at the Calvary Fellowship church. Directions below.

Take Shelton Springs rd. to East Island lake road, go past the church and take the next right to the lower parking lot. The meeting will be in the basement. The church is approximately 1/4 mile from the airport

HUNTERS

Hunter's has been mowed, it still needs to be rolled but it's not too bad for the beginning of the year. If you have a quad with a trailer hitch and a 2" ball and would like to help out please let me know at bigbird@quintex.com.

Dave and I also dug out the pilot barrier for the Jamboree. It's in surprisingly good shape but will have to be restrung. The two at Sanderson were ok and will also have to be restrung
