

# SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

May meeting at Sanderson Field (weather permitting)

Thursday May 8th

## CLUB MEETING

Treasure's report was read.

No word from the school on the Scholarship.

Bigfoot hobbies is now open in Tumwater.

No word on the written waiver for Turbines during a burn ban.

Our next event is the Tom Strom sr. memorial fly-in/open fly-in May 31st-June 1st.

July 19th and 20th is the NWSAM Scale qualifier.

The calendar looks pretty full, however the Olympic College truck driving school starts at 1:00 and ends at 4:00. and we can fly in the morning and after 4:00. That being said, they aren't always there. There is no way to tell besides going up there and looking. If that is an option for you and no one is there after 1:00 you CAN fly. You can also talk to them if they are there and it's possible you could fly.

Bill Slining Showed a 3D printed C-17 with 2 50MM ducted fans for power. With a 4s battery it weighs just over 3 lbs. It look very nice, It's hard to tell it was printed.

Mike Brown showed a small glider, very nice. He also

showed some red cedar veneer he made to cover foam core wings. He has some amazing tools and is very good with them.

The Monroe swap meet was April 13th.

Meeting adjourned at 6:32.

Sorry the newsletter is so late, I've been hoping to get a flyer for the upcoming fun fly.
