Upcoming Pylon race

The Pylon race in May will require a lot of workers, none of it is strenuous except it will probably be long days. The club will buy the workers lunch each day. You will need to bring a chair. Let Me or Dave know if you are willing to help out.

The Port's google calendar no longer works. You will have to go to the Port of Shelton's web site, click on Sanderson field and then abandoned runway events. Scroll down a little and you will find the calendar.
