Hosted by the Academy of Model Aeronautics and the Sanderson Field RC Flyers, this is the biggest all inclusive fly-in in the District!! This years event will be held at the Sanderson Field RC Flyers site in Shelton, WA. The flying site is on the inactive runway at Sanderson Field, and it features a 2000'x200' paved runway! There will be a raffle at the end of the weekend, an auction for some great prizes on Saturday night, vendor booths, vendor product demos, aircraft demos, swap meet, and so much more. So come on out and enjoy a great weekend of model aircraft! There is tons of pit area for awnings and chairs, and food concessions will be available on site for breakfast and lunch. AMA JAMBOREE

The club stands to make some much needed money this coming weekend with the AMA Jamboree. It would be great if lots of club members come out to help. We are doing this for the benefit of the club (it should be great fun also). So far we have 30 RV reservations and a few camping reservations also.

Some of us are going out today (June 1st) to repaint lines and mark the RV spots and what ever else we can do. We may need to blow down the runway as the Puget sound enduro riders have been camping on both sides of the runway all memorial weekend.

Any time you can spare will be greatly appreciated!

A lot of people are coming, should be great fun!
