CHARTER NO. 3079

Fun Scale Fly-in July 12th

CLUB MEETING

*This months meeting will be held
on Thursday July 10th.*

at The PUD auditorium

*2621 E John's Prairie Rd.
Shelton, WA*

Minutes were read and accepted as read.

Treasurers report was read and accepted as read.

Tom noted that the grass was dead at Sanderson and a work party is needed to finish the clean up. It was decided to work on Tues. June 17th at 9:00am.

We now have a Ladies auxiliary to manage food at our events, this includes the Scale fly-in and Sept. championship pylon race also, They have the banquet well in hand with a venue reserved and a caterer set up with a north west menu.

Our normal lines for pits and pilots stations will be moved out 10-15' to give more room for pitting.

Dick Robb has submitted the paper work for the fun scale fly-in.

Bob Treinen will bring the other tent.

Jack Mitchell will get a Line painter, Dick Robb also has one.

Pilot stations will be moved out for the fun scale fly-in.

We need a trailer to move our port-a-potty, Jack will bring his.

Club members will be the official spotters and for aircraft retrieval.

We will have an airboss.

Tom Jr. asked if the pilots choice award should be given to the same person two years in a row, consensus was pilots choice, who ever it is.

Prizes - Tom Jr., Marc Winz, Dick Robb will check the hobbies shops.

Stacy Myers has purchased the new BBQ, it is assembled and ready for transport.

Only two people showed up for the parade float preparation, Bob Beatty asked if we should

schedule it earlier in the month so as not to be on memorial weekend, it was agreed.

The materials for course worker barriers for the championship race have been purchased.

Steve Grout reported John Tupper has had his back surgery and is doing good at home.

The Olympic air museum has offered the local clubs a spot at the air Show to display our models. Dick Robb has organized that.

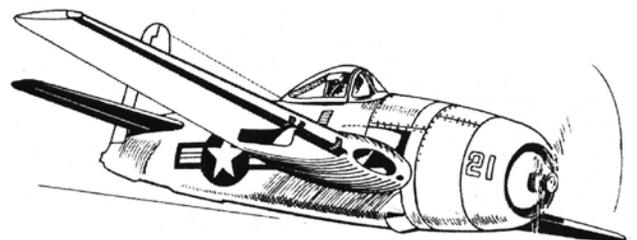

Dennis Marcus talked about the museum's rebuilt Corsair.

Dan Nalley donated a kit for a christmas party prize/award.

Welcome new member Dennis Marcus.

Dennis Marcus showed stuff he is wanting to trade.

Meeting adjourned 7:45

JOINT LNRCFC/TCMAA FLOAT FLY

The first of two float fly events was held on June 7th at Isabella lake. The day started out windy in the morning but strangely calmed down after lunch.

We had a few planes that ended up in the water NOT on the floats but it was a good day with good company.

Thanks to Thom Martin for being the “cook” and to Gordie and Bob for mowing.

The next float fly is scheduled for July 26th.

These are just a few images taken by Royce Tivel, to see all the events photos go to:

MY (OLDEST) LATEST PROJECT

As of June 21st the Hellcat is DONE. It still hasn't flown but I'm very happy with the way it has turned out. Thanks again to the Strom's for all their help!

So I'm just waiting for a good day that the field isn't closed.

OLYMPIA AIR SHOW

The Olympic Flight museum air show seemed to be a little smaller this year but did have some great highlights. Our club and TCMAA were asked to display our models and I spent the day Saturday answering questions and enjoying the show.

The Museum has gotten they're F4U Corsair back and what a beauty she is! It looked like it just came off the assembly line!

The usual P-51 fly by (the reason I have to go to the air-show) was done by 3 P-51's this year.

Also the B-29 "FIFI" was there. We didn't get to see it fly as it came in on Friday, the very windy day, it had trouble on approach and had to stand on the brakes to stop before the end of the runway. One tire was blown and two more had flat spots so it just sat there all weekend.

DUES ARE \$75 IF PAID BEFORE JAN 1ST, \$100 THEREAFTER.

IF YOU PAY BY MAIL SEND YOUR DUES, PROOF OF 2014 AMA MEMBERSHIP AND A SELF ADDRESSED STAMPED ENVELOPE TO THE TREASURER:
