

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Dawn Patrol Aug 8th

CLUB MEETING

*This months meeting will be held
on Thursday July 9th.*

At the field Weather Permitting

***21 W Sanderson Way Shelton, WA
Or at the PUD***

Minutes were read and accepted as read.

Treasurers report was read and accepted as read. Jack also talked about the Scale qualifier, we actually cleared \$183.16

We had an opportunity to help a lady who's husband passed away by buying 5 airplanes with engines a scale Helicopter with engine and misc. field equipment for \$600 we did so without club approval, Jody motioned to approve the purchase. Seconded and passed.

Tom Strom Jr. gave a report on the scale qualifier, it seems everyone liked the event and food and were willing to pay more to help offset the costs if we choose to host the event again. We got a couple of donations which put us in the black this year. Bob Beatty motioned to host again next year,

seconded and passed. Jody also motioned to provide free water at events, seconded and passed.

Dick Robb gave a report on the joint exhibit at the Olympic flight Museum (Olympia air show). We have a club brochure and Dick has found a printer in Shelton who will print 50 of them for \$25. Dick offered to donate the cost. The printer is located in the same building as the coffee shop on 7th Street. He has a large scale printer, is a modeler and can do plans. I believe the price quoted was 3 cents a square inch.

The tree farm staging area that the Hunters suggested is no good for us, the runway would have to be right where the heavy equipment would run in Dec. and would require us to rebuild every year.

The Dawn patrol/vintage aircraft fly-in will be Aug. 8th. Tom

Jr. made a flyer for distribution. This will be a pot luck affair with a \$10 landing fee.

Stacy Myers asked about moving the port-a-pot out to Hunters. It will be done after they hay.

The club will have a potluck fly-in at Hunters on Sunday (June 14th) from 10am - ??

Meeting adjourned at 7:50

The Airplanes purchased were:

Large Decathlon
.40 sized Beaver
.40 sized Trainer
.60 Top flight Corsair
.40 sized Goldberg cub
Scale (Huey I think) Helicopter

The ones with the line through them have already been sold.

Contact Tom Jr. If you are interested in the remaining planes or the field equipment.

FLOAT FLY

June 20th was the first of 3 joint Lake Nahwatzel/TC-MAA float fly-in's. The weather could not have been better, very light winds and clear skies made it perfect for flying off the water.

Rob Koenig donated the use of a 3 horse Johnson out-board motor which saved a lot of rowing.

Bob Andrew and Gordie Osberg did a great job on lunch and we even had a few visitors.

OLYMPIA AIR SHOW

SFRFCF and TCMAA were invited back to the Olympia Air show again this year to display our models. This seems to be a good way get some exposure for the club and the people are already aircraft enthusiasts! This year we took one of the club's big canopies for shade and boy did we need it! It was HOT. Air Show attendance seemed to be down a little, probably because it was so hot.

The commemorative Air Force had a red tail P-51 and an exhibit on the Tuskegee airmen. I was a little disappointed that the red tail didn't fly in the air show.

The Museum's P-51 put on it's usual great show and the newly restored Corsair also spent quite a while in the air.

NEWS

At this point, Sanderson is open on the 4th and the 18th, there is no guaranty it will still be open when the dates get here but it might be worth thinking about having the club fly-in on the runway this month. Something to think about... If we plan it that way and it gets sold we can always move to Hunters.

Speaking of Hunters, the port-a-pot has been moved out there and the hay has been removed. We still need to get out start stands and pilot barriers back out there.

We have had a Goldberg gold edition 40 sized cub KIT donated to the club, not sure what we are going to do with it yet. I'll keep you posted.

My mom has taken a turn for the worst and I am leaving for Phoenix on 7/1. I don't know for how long.

If you need anything you can still reach me by phone or email.

DUES ARE \$75 IF PAID BEFORE JAN 1ST, \$100 THEREAFTER.

IF YOU PAY BY MAIL SEND YOUR DUES, PROOF OF 2014 AMA MEMBERSHIP AND A SELF ADDRESSED STAMPED ENVELOPE TO THE TREASURER:
