

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Meeting at Sanderson Field

Thursday July 11th

CLUB MEETING

Treasurers report was read.

Safety - be sure to check your stuff before flying.

Spektrum Sky ID - There may be a problem if you are plugging into the receiver if you haven't updated your receiver and transmitter. Just powering it with a separate battery is not a problem, however you won't get any telemetry on your transmitter. Just on the drone scanner app.

Winter Build - We only had two maidens. The

weather wasn't too bad except at lunch time. The food truck brought the rain and took it with him when he left. Good food. The fly-in the following day was canceled due to weather.

Container - Bill was asked to order the vent for the container, once we get that installed we will need a work party to build some shelving so we can move in. *(we have received the vents)*

Hunters - we are still trying to get some dirt from Hunters to fill in the cow tracks at hunters.

This years dawn patrol will be Saturday August 24th.

Scholarships - We need some volunteers to work on next years scholarships.

Oysterfest - We are doing Oysterfest again this year, it's usually the first weekend in October. *(we are signed up)*

We are doing an end of the year raffle for an Eflite 1.2 meter P-47 donated by Tom Strom at Bigfoot hobbies. The only way to get a ticket is to attend a meeting. 1 ticket for every meeting attended.

Alt Board Member	Jack Mitchell	(253)377-7019

TOM STROM SR. MEMORIAL FLY-IN

Tom Strom Sr. memorial fly-in is Saturday and Sunday July 20th and 21st both with tailgate swap meets.

Welcome to the 1st Annual Tom Strom Sr. Memorial Fly In

Hosted by Bigfoot Hobbies and the Sanderson Field RC Flyers, this event is to honor our former club president and his contributions to not only our club, but to model aviation as well. This event will be held at the Sanderson Field RC Flyers site in Shelton, WA. The flying site is on the inactive runway at Sanderson Field, and it features a 2000'x200' paved runway! There will be a raffle at the end of the weekend, a vendor booth from Bigfoot Hobbies, vendor product demos, a tailgate swap meet, and a display of some of Tom Strom Sr's aircraft. So come out and enjoy a great weekend of model aircraft and celebrate Tom Sr. with us! There is a ton of pit area for awnings and chairs, and food concessions will be available to purchase on site for breakfast and lunch.

Directions: Go North on HWY 101, go past the main entrance to Sanderson Field. Sanderson Way is the next turn to the left. This is the industrial entrance. Turn left on Sanderson Way, the road winds around a little but stay on the main road. Watch on the left and you will see the runway we fly from. Go past the gate that looks down the runway to the second gate.

Remote control and control line open flying allowed all weekend, except during vendor demo periods. We cannot allow free flight or FPV flying at our facilities. Turbines are welcome. **Note:** Bring a sport plane to compete in our fun fly competition.

Landing Fee

\$40

(Includes One Prize Raffle Ticket)
