CHARTER NO. 3079

July meeting at Sanderson Field

Thursday July 10th

CLUB MEETING

Jack Mitchell's mower (one of the mowers of Hunter farms field) broke and needs a new transmission. Since the mower is used mostly for Hunters a motion was made to help with the repairs. Motion passed and a check for \$750 was written.

The fun fly brought in \$810, enough to pay for 1 of the days. Dave will retain the money for rally expenses.

Scale Event - We will have a work party on Thursday the 17th at 5pm to set up for the scale rally.

We will also need a work party on Wednesday the 16th with weed eaters and blowers to clean up the show side of the

runway.

Ken Nelson will bring his side by side with the water tank for the fire truck. We will have a pizza dinner on Saturday night.

As Mike Ingram is donating the cost of 1 of the days for the rally (3 Total) it was voted to give him 2 years of membership.

Aaron will talk to the food truck guy for lunches during the rally.

Meeting adjourned at 7:00

Don't forget the Scale qualifier on July 18-20 see the flyer on page 3. We need all the help we can get.

SCALE QUALIFIER JULY 18-20

The Scale qualifier is an event where scale airplanes perform scale maneuvers and are judged by 3 judges for how well the maneuver is performed. During the round the entire flight is judged for flight realism, how close to looking like the way a full sized aircraft would look.

This is a great way to see some awesome scale models.

We still need volunteers so is you can come out and help it would be greatly appreciated.

We are having a work party on Wednesday the 16th to clear the grass on the show side of the runway and Thursday the 17th at 5:00 to set up for the qualifier.

The qualifer is July 18th-20th

Come help if you can!
