

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

North vs South Shoot out Pylon Race Aug 24-25

CLUB MEETING

*This months meeting will be held
on Thursday Aug 8th.*

*at SANDERSON
FIELD*

Weather Permitting

If we are not there go to PUD

Minutes were read, a correction was made as there were only 7 flyers at the last indoor fly-in.

Treasurer's report was read and accepted as read.

Chuck Kentfield reported that it cost \$108 to have the sanican cleaned and moved to Hunters.

Before the scale fly-in we still need to:

We will be using the port's sanicans for the Scale fly-in. Tom Strom will inquire about having it moved closer when they come to clean it Friday the 12th.

Dick Robb will get the Lettuce, tomatoes, onions and cheese and Jack Mitchell will pick up ice.

Bob Beatty will get two dozen doughnuts.

Tom Strom will bring coffee

We will need someone at the gate so we need volunteers for hour long shifts.

Bob Andrew and Gordie Osberg volunteered to cook.

There will be an impound for 72mhz and also a pin system for 2.4 so as to limit flyers to 4 at a time.

It was decided to park on the edge of the runway in the grass as to leave more room for the pits. Everyone else does and there seems no reason we can't.

Dick Robb mentioned upcoming

events:

TCMAA is hosting a Fly-in/swap-meet on July 20th

Lake Nahwatzel float flyers are hosting a TCMAA float fly on July 27th at Lake Isabella.

Meeting adjourned 8:02

There will be a work party on Friday the 12th (today) at Sanderson Field at 1:00. We need some leaf blowers

Try to keep Aug 24th and 25th open if you can, we need workers for the North vs South shoot out. It's looking like there are going to be quite a few pilots this year.

The new timing system is about ready and should make things much easier to manage during the race.

I will be keeping a list so please let me know if you can work 1 or both days.

Sanderson Field RC Flyers First Annual Scale Fly-in

by Royce Tivel

On Saturday, July 13, 2013, the Sanderson Field RC Flyers(SFRFCF), Shelton, Washington, held their first, AMA sanctioned, Scale Fly-in.

Richard Robb acted as contest director (CD)and was assisted by Tom Strom SR.

There were 27 registered pilots from several Washington clubs and many spectators.

Tom Strom Jr. and Lois Strom coordinated the event from the registration desk. Only four pilots were allowed to fly at once from a central pilots' area on the field. As one pilot completed a flight, the next pilot on the list was called to the pilots' area. This, coupled with the event rules, as given by Dick Robb during the pilots' meeting, insured that the event proceeded safely.

After pilot registration, pilots displayed their aircraft in a line for review by other pilots.

A vote of the pilots after this review determined who would be awarded the "Pilots' Choice" trophy. The trophy was won by Ward

Emigh from the Marymoor club. The winning aircraft was a beautifully scaled PT 23 powered by a 7 cylinder radial engine. The following gallery of images will show the wide variety of aircraft both type and size that were flown during the event.

As an extra bonus for pilots and spectators, there were many skydivers landing adjacent to the flying field throughout the day. The skydivers provided a colorful addition to a great day.

The success of the event was determined, to a large extent, by the volunteers who helped both before and during the event.

Tom Strom JR. created a flyer announcing the event that was distributed to clubs in the area.

Robert Andrew, Charles Kentfield, and Gordon Osberg served as cooks for the great barbecue lunch. Others, not listed here, also helped and deserve special thanks.

All images were taken by the author and a full gallery of images can be viewed by visiting selectdigitals.com.

ed. note: look for this article in an upcoming issue of the District XI section of the AMA magazine

Sanderson Field RC Flyers 2013 Fun Scale event
