CHARTER NO. 3079

## Dawn Patrol Aug 8th

### CLUB MEETING

*This months meeting will be held  
on Thursday Aug 13th.*

### *At the field*

*21 W Sanderson Way Shelton, WA  
Or at the PUD*

Meeting was called to order at 7:00

Jack Mitchell read the Treasurer Report. The Port of Shelton is paid. The Porta Potty was cleaned. There was a bill for \$150 for flying at a school. \$91.01 was paid to Tom Strom Jr. to compensate him for fuel to buy the airplanes from a widow.

Burt Daggett and Jody Diaz were contacted by a Dan Ryder with ESD113. Dan asked if the club can conduct a flying demonstration on 7/10. There will be a bus of kids coming to the Port of Shelton to learn about aviation. Dan asked if we can do a flight demonstration, give a quick tutorial on aerodynamics and put kid's up on trainer planes with buddy boxes.

Dick Robb will do an aerodynamic lesson. Jody, Dick, Stacy Myers, Burt Daggett, Tom Strom Jr. Bob Trident, Royce Trivel and Jack

Mitchell volunteered to help out with the event.

Oysterfest was discussed. Bob Trident is going to inquire how much 100lb of crab meat will cost the club.

Dawn Patrol is August 8th. Tom Strom Jr. sent flyers to the NWS Aero Modelers. Tom will send flyers to Hobbytown. Dick Robb talked to Tom Martin about prizes for the event.

Motion was made for the club to buy a biplane for the Dawn Patrol raffle.

Motion for the club to buy hot dogs, hamburgers and buns.

Bob Mason asked of anyone had a simulator to donate to a student who was very enthusiastic about aviation.

Sharon Diaz won the monthly free membership raffle entry ticket.

### President's Corner

Hi everyone,  
I hope you are having a great

summer so far.

I wanted to take a moment and let you know how the Future of Flight demo went. It was a very windy day. Dan Ryder arrived just ahead of the kids. We greeted them as they got off the bus. Dick Robb gave a very informative talk about the parts of a plane, and how they fly.

Then it was time to fly. Dick and I both got in several flights, and the kid's seem to really enjoy it.

After the group left are area, they went over to Kapowsan Air Sports to continue their adventure.

I would like to thank everyone that helped out. I encourage others in the future to get involved, it's very rewarding.

I also wanted to let you know that are monthly fly-in's have been a lot of fun. We usually have lunch around mid day and everyone seems to enjoy it. If you get a chance stop by, if nothing else have lunch. The next one is August 15th.

Remember on the 8th we are having a Dawn Patrol fly-in hope to see you then.

Jody Diaz

# ABOUT THE DAWN PATROL

In talking to other modelers there seems to be some confusion about what aircraft are eligible for our Dawn Patrol and Classic Fly-in. Here are the basics.

First the Dawn patrol Aircraft: This is for models of full size aircraft, both military and civilian, that were designed and flown between 1903 and 1920 ANYWHERE in the world. Fairly simple. If it flew in this time period it is eligible.

Classic aircraft eligibility however is a bit more complicated. This is for models of full size aircraft, both military and ci-

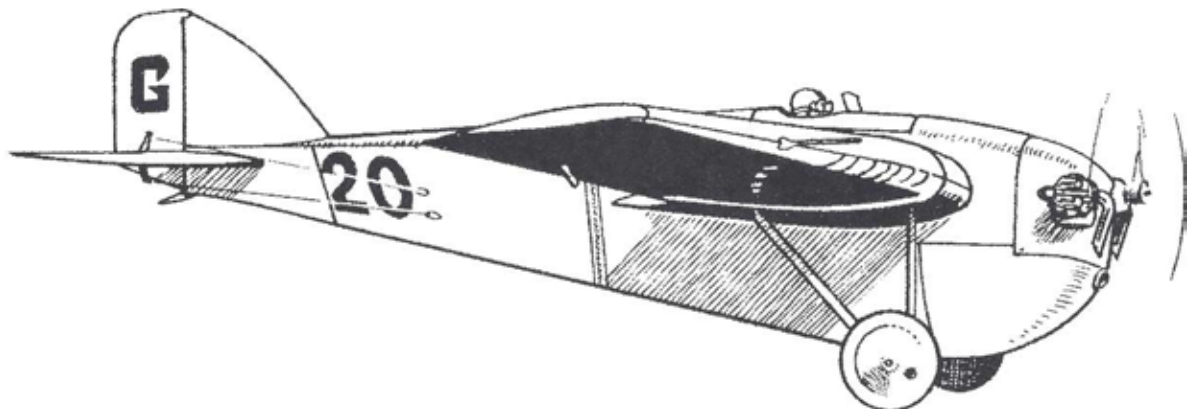

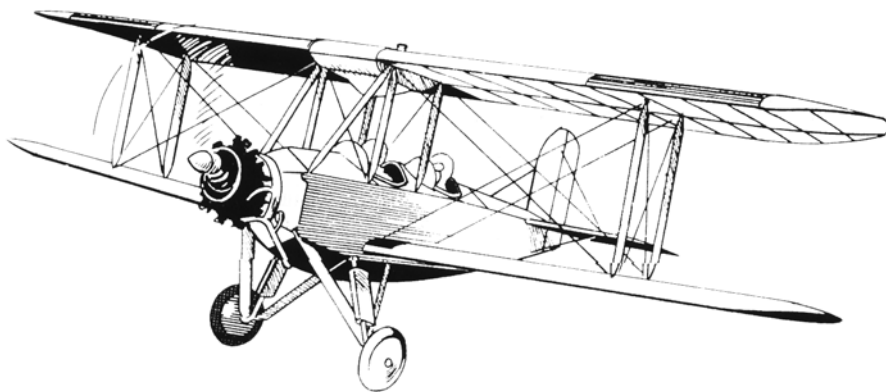

vilian, that were designed and flown between 1920 and 1939 anywhere in the world the did NOT fly as a military aircraft during the second world war.

At the start of WW2 most nations impressed civilian aircraft into the military and this makes for some confusion when it comes to eligible aircraft. Examples include the DC-3, J-3 Cub, and Stinson Reliant. In civilian marking these are eligible while there military counterparts ( the C-47, L-4, and V-77) are not. You can find examples of this type of civilian crossover usage in German, French, British, Italian, Russian, Japanese,

and American aircraft as well as examples from many other smaller nations.

The primary thing to remember is if the aircraft has national markings as used during the second world war or was designed and flown after 1939 the aircraft is not eligible to be included in the Classic category.

I hope this will help clear up the confusion.
