

# SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

**No Meeting this month!**

## CLUB MEETING

*The PUD has closed the meeting room access until further notice due to COVID-19*

The meeting was held at Sanderson field

The porta pot has been repaired and will be moved to Hunters shortly.

The swap meet building has been reserved, It's still up in the air whether we will be allowed to hold it.

We would really like some input on attending the 18th/19th fly-in. At \$700 a day in a year we may not bring in any income, we would like to know if any one is going to come.

Meeting adjourned 7:20

Last month's "Maiden that plane" event went very well although there were a few "crashes". We started the morning with a pilots meeting and then the flying began. The weather was almost perfect with just a few clouds and almost no wind. It was warm but not too hot.

There was a nice variety of planes from micro to large scale 3D. My favorite "of course" were the scale planes. I finally flew my giant scale P-39 airacobra, although the motor came loose during the flight, I landed it without incident. Around 12:00 Dave boiled some hotdogs and we had lunch. Donations brought in almost half the cost of the field.

Royce Tivel took a bunch of photos and I'll put a few in the newsletter, to see them all go to Royce's website at:

<https://selectdigitals.com/index.html>
