

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Meeting at Sanderson field in August

CLUB MEETING

The PUD has closed the meeting room access until further notice due to COVID-19

Treasurers report was read.

It was decided it was too late to spray as the weeds and grass are mostly dead. We are having a work party on Wednesday July 14th at 10:00 am to repaint and extend lines. We could also use some people with weed eaters or blowers.

Oysterfest - There is still no site chosen although it's rumored that it might be Loop Field. We are doing crabwiches again and Bob Treinen is going to get us registered with Rotary.

July 17th is our Scale Fly-in. Anything scale is welcome (sorry no Turbines)

July 18th is the rescheduled EDF scale meet. This is a judged contest however it will be pretty relaxed as it is kind of a test. Both events will also have a tailgate swap meet, bring your own shade and table, there

will also be a Pizza truck both days for food. We will put up the canopy Saturday morning and have cold drinks for sale. A raffle will be held with tickets costing \$5 or 5 for \$20.

For weather at Sanderson field you can call 360-426-6332. You can also go to the Port's website at:

<https://portofshelton.com>

then scroll down to the bottom and there is a link to the runway camera.

For people interested in scale:
July 23rd - 25th - NWSAM scale contest in Chehalis
August 6th - 8th - NWSAM scale contest in Redmond Oregon.

August 27th - 29th NWSAM scale championship in Wenatchee

September 11th - 12th Warbirds over Wenatchee

Meeting adjourned at 7:22

There is one free weekend day this month on the Saturday the 21st if we want to do something.

August 14th is the Dawn Patrol and Golden age fly-in at the Hunter farms Auxiliary field. Also that weekend is the swap meet at Faro field in Chehalis. (see the flyers pg 2)

If you haven't taken the safety test (The Recreational UAS Safety Test, or TRUST) you should do it. **The test is mandatory** and you could be asked for proof that you took it. The test can be found on AMA's website, it's free so if you get somewhere that they want money you are in the wrong place! The test is a no fail test and it's common sense. Just be sure to print, screen shot or save the .pdf as you won't have another chance once you leave that page. It's easy.

"GET ER DONE"

The maintenance guys found John Sommer's plane that was stuck in a tree and returned it, they also said they were going to spray the runway.

DAWN PATROL AND GOLDEN AGE FLY-IN - SWAP MEET

Fourth Annual Dawn Patrol and Golden Age Fly In

Sponsored by the Sanderson Field RC Flyers.
<http://sfrcf.quintex.com/>
