

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Meeting at Sanderson Field

Thursday August 8th

CLUB MEETING

Remember, Attend a meeting and get a chance to win the E-Flite P-47 razorback 1.2 meter!

Last month we hosted the Tom Strom Sr. memorial fly-in. Saturday was hot! close to 90°. We had a marginal turn out but we did get a permanent waiver from the fire marshal for turbines during a burn ban provided the necessary fire fighting equipment is on hand. This includes a 15 gallon water tank and a vehicle to transport it. You turbine guys will have to make arrangements

with the club during any burn ban. For lunch on Saturday we had pulled pork and pulled chicken bbq sandwich with chips, a soda or water and a cookie. (Thanks Lois!) We did have a few turbines on Saturday and Sunday and had no issues. Sunday was much cooler and there was lots of flying. Tom from BigFoot hobbies donated some awesome raffle prizes and Dan Nalley also donated the new Eflite Turbo

Timber. It was an awesome raffle.

Thank you Tom and Dan!

On Saturday July 20th I attended the ARCS warbird event. They had a good turn out, lots of T-28s in the contests. I took my little foamy P-47 and got 2nd place in the spot landing event. That was the only event I participated in as my P-47 doesn't have a carrier hook or bomb drop. Lunch was hamburger or hotdog with chips and a soda and the landing fee was only \$5. The only snafu was the only way I knew how to get there, the road was blocked off due to a wash out and it took some driving around to find the ARCS field.

HOW TO FILE A NOTAM

1. Call (877) 487-6867 between 7 days and 24 hours before your event, or at least 24 hours before the day you that will begin flying. For clubs with FAA Remote ID exemptions, your authorizations might require a longer-term NOTAM to be issued for your day-to-day operations.

2. The NOTAM system will recognize your state by the phone number from which you are calling.

▪If it is different from the location of the event, press 1 and follow the prompts to enter the correct state.

3. After your state has been confirmed, you will be directed to a representative. It is possible that the information you will be asked to provide will vary slightly, depending on the state/representative. Likely questions include:

▪For what is the NOTAM being issued?

▪Answer UAS operations.

▪Have you issued this NOTAM in the last 30 days?

▪Is the NOTAM going to be at an airport, or would you like to provide latitude/longitude?

▪Answer latitude/longitude, and then provide it in degrees, minutes, and seconds.

▪What altitude is included in the NOTAM?

▪How much is the nautical mile (nm) radius for the NOTAM?

▪1/4-nm radius is sufficient for most events, but 1/2-nm radius might be needed for very large flying sites.

▪What is the date of the NOTAM?

▪What is the start time?

▪They will need a specific time with the time zone. If your event is multiple days long, using the same start and finish time for each day will allow you to issue one NOTAM; however, different start/finish times each day will require multiple NOTAMs. AMA encourages you to issue the NOTAM for the same start/finish time for every day of your AMA sanctioned event.

▪What is the end time?

▪See the above start time information.

▪The representative will then likely put you on hold while they verify the location. They might have additional questions when they return regarding the location.

▪You will then provide your initials and be asked if you are an individual or representing a group.

▪Answer Academy of Model Aeronautics.

4At the end of the call, the representative will give you a NOTAM

number. Be sure to write that number down and email it to waivers@modelaircraft.org if the NOTAM is required for sanctioned event waivers. AMA needs this number in order to issue your sanctioned event altitude waiver and/or Remote ID authorization certificate. Be sure to include the event name and sanction number in the email.

▪AMA does not need your NOTAM number if the NOTAM was filed for your flying site's FAA Airspace Authorization to exempt your site from Remote ID for day-to-day operations; however, this agreement does require that the NOTAM be canceled when operations are completed or are not being conducted. In order to do so, call the same phone number and have the NOTAM number ready to provide to the representative. Please note that filing a NOTAM should only be done at the request of AMA or the FAA, and only for the purpose of an AMA Sanctioned Event Waiver/Authorization, Remote ID Authorization, and/or as required by your specific 7711 Airspace Authorization.

DUES ARE \$75 IF PAID BEFORE JANUARY 1ST, \$100 THEREAFTER.

IF YOU JOIN IN THE LAST QUARTER OF THE YEAR YOUR MEMBERSHIP IS GOOD FOR THE FOLLOWING YEAR.

IF YOU PAY BY MAIL SEND YOUR DUES, PROOF OF 2024 AMA MEMBERSHIP AND A SELF ADDRESSED STAMPED ENVELOPE TO THE TREASURER:

BILL JUDGE
