## Habitat Takes Flight Sept 12th

### CLUB MEETING

*This months meeting will be held  
on Thursday September 10th.*

#### **At the PUD**

**2621 E John's Prairie Rd.  
Shelton, WA  
*Or at the Field***

Minutes from the Aug. 13th  
Regular meeting

Treasurer's report was read  
and accepted as read.

Tom Strom Jr. had the  
idea to start selling raffle tickets  
in September, Dick Robb had  
concerns about the outlay for  
Oysterfest and thought we  
shouldn't buy raffle prizes yet. Rob  
Koenig motioned to sell tickets  
before the prize was bought,  
seconded and passed.

There was some confusion  
about the sandwich machine for  
Oysterfest, we do NOT have to  
buy it. It will be on loan from the  
diving club, our main expense will  
be the crab.

There is hardly any info  
about Oysterfest yet. We haven't  
been approved to sell yet as  
there is some question about our  
qualification to do so. Apparently  
you can't just raise money for

yourself, it needs to be for a  
charitable organization. The fact  
that we do a scholarship MAY  
qualify us. There is a meeting  
coming up of the Oysterfest  
"committee"?? I believe it's  
September 1st and we should find  
out after that.

The Dawn Patrol went  
pretty well, there were only 8  
pilots but everyone had fun and  
we may gain a member because  
of it. We did make \$90 but only  
because of the generous donations  
by Jody and Sharon Diaz and Dick  
Robb. Tom Strom Jr. won the raffle  
prize.

Tom Jr. has put in  
an application to do the  
Championship Pylon race again  
next year.

There are 2 planes left of  
the recent purchase, they will go to  
the joint swap meet at the Olympic  
flight museum in November.

There will be a float fly at  
Black Lake on August 29th, by all  
accounts this is a very nice place to  
float fly.

Terry Myers donated a  
Trainer, the club now has owns 6 of  
them.

Sharon Diaz motioned to  
have a club fly-in at Sanderson  
Field on Sunday August 16th. It  
will be the usual pot luck, bring

your favorite side dish.

Gordon Barrett got his name  
drawn for the free membership  
drawing at the end of the year.

Meeting adjourned at 7:30

#### **A Word From Your President**

Hello everyone, Summer is  
coming to an end, but there is still  
plenty of time to get some flights  
in. This months fly in will probably  
have to get moved back a week  
to the 19th. Aviation Day is at the  
Port of Shelton on the 12th, and the  
Olympia Float Fly has been moved  
to the 13th.

I met with the Port  
Manager John Dobson about  
Aviation Day. He is very excited  
about it and is still working  
on it. He has offered us a great  
location for a static display, and  
has given us a place to perform  
demonstration flights, and to put  
people up on trainers. Aviation  
Day is 2 days after the club  
meeting. There will not be a lot of  
time to plan, but it should be an  
easy set up.

Any how, have an excellent  
week, and see you at the next  
meeting.

# SCALE CHAMPIONSHIP IN WENATCHEE

A Few of our club members went over to the scale championships in Wenatchee at the Red Apple Flyers field. It was pretty windy and warm. Club member Marc Winz got 3rd place in the Pro-Am Sportsman class and it looks like he walked away with a DLE gas motor from the raffle too!
