## September meeting at Sanderson Field

Thursday September 11th

### CLUB MEETING

Treasures report was read by Aaron. We broke even thanks to some great donations.

Oysterfest is our next event, we approved getting a club refrigerator last month and Jack Mitchell was appointed to get one soon.

Next event is the winter warbird, It hasn't been scheduled yet.

Elections are coming up, Nominations are in October, elections in November. We are going to need a new president as Aaron is not going to be president next year.

Dave will do an airplane weathering demo in October.

Dennis Frost donated some walkie talkies to the club.

We have no Idea how long the runway will be used by the firefighters but we will check to see if it's all right to fly if they are not there.

Bill Slining demonstrated a food processor for cutting celery for Oysterfest.

Meeting adjourned at 7:25

Winter warbirds will be the 25th of October or the 26th if the weather is bad on Saturday.

**We are coming up on nominations for next year's officers in October, elections will be held in November.**

Aaron is stepping down as president so we will need a new one.

The meeting at Sanderson is weather permitting otherwise it will be at the church.

Weekends are still taken all September and the calendar is pretty busy all month. It's a good idea to check the port's calendar before heading to the field. There is a link to it on our website on "the field" page.

**Officer nominations next month with elections in November. We are going to need a new president so keep that in mind!**

# OYSTERFEST

Thanks to Bill Slining for checking out and cleaning the sandwich machine for Oysterfest.

Jack and I picked up a refrigerator for \$200. It was in use just before we picked it up. It only has 1 flat shelf so if anyone has access to more that would help a lot.

We are going to need a lot of help so if you are willing please let me know, The more people work the less time each shift can be.

We will have the same spot we had last year down by the beer garden and will have an extra shift on Friday night which I believe if from 6 to 10.

Setup will be Friday the 3rd, I'm not sure what time we will be able to start but after setup we will need to do food

**DUES ARE \$75 IF PAID BEFORE JANUARY 1ST, \$100 THEREAFTER.**

**IF YOU JOIN IN THE LAST QUARTER OF THE YEAR YOUR MEMBERSHIP IS GOOD FOR THE FOLLOWING YEAR.**

**IF YOU PAY BY MAIL SEND YOUR DUES, PROOF OF 2025 AMA MEMBERSHIP AND A SELF ADDRESSED STAMPED ENVELOPE TO THE TREASURER:**

prep. Thankfully Bill Slining has a food processor that makes short work of the celery which is the most time consuming part of the prep.

We were the top seller last year which was pretty good considering crab was \$40 LB and we had to raise our price to \$10.
