## Officer Nominations

### CLUB MEETING

*This months meeting will be held  
on Thursday October 8th.*

#### **Roosters Restaurant**

**3001 Olympic Hwy N, Shelton, WA**

Minutes from the September 10th  
Regular meeting

Minutes were read and  
accepted as read

Treasurer's report was read  
and accepted as read.

Jody talked about the  
things covered at the board  
meeting, We've gotten away from  
following procedures and he  
would like to get back to doing  
that.

We will be participating in  
Habitat takes flight at the airport  
on September 12th, we have a  
spot near the fueling station near  
Kapowsin air to display planes  
and will be doing demo flights  
across the road from the inactive  
runway. If you would like to  
display a plane setup is from 6:30  
to 9:00 Saturday morning.

The club fly-in will be on  
the 19th at Sanderson unless the

runway gets sold in which case it  
will move to Hunters.

The Joint swap meet has  
sold about 50% of the tables. The  
wall tables will open to everyone  
on or about 13th. Contact Royce  
Tivel or go to [rcsouthsound.com](http://rcsouthsound.com)  
**They are looking for donations  
for the raffle at the swap meet,  
same contact info.**

We had a fire incident at  
Sanderson last Saturday with an  
electric ducted fan, it was handled  
well and the Port was notified.  
Please be aware of the fire danger,  
we have fire extinguishers in the  
shed.

**DON'T** use water on Lipo  
fires! It can cause an explosion.

We have gotten \$2100  
worth of crab for Oysterfest,  
we still need volunteers for the  
food booth and also for the static  
display, Contact Sharon Diaz. We  
are also still looking for people  
with food handlers permits. You  
can take the test online and get a  
permit pretty quickly.

Jody Diaz will have a box  
trailer for plane storage overnight  
during Oysterfest.

Royce Tivel and

Hunter Bourgault got their  
flight certification this month,  
Congratulations!

Welcome new members  
John Culton and Bill Judge III

John Culton was added to  
the list of people in the drawing for  
free membership at the end of the  
year.

Meeting adjourned at 7:30

A couple of notes:

**The regular club  
meeting will be  
held at Roosters on  
October 8th from  
6:30 to 8:00.**

## A BUSY FLYING SEASON FOR SFRCF

By Royce Tivel

It has been a busy flying season for the Sanderson Field RC Flyers (SFRCF). Events so far this year (through July) have included

- \* The Scale Masters Qualifier, May 29-31,
- \* The Olympic Airshow, June 26-28,
- \* Students Visit Sanderson Field, July 10, and
- \* Two Hunter Farms Fly-ins, May 16 and July 12.

In addition, several members of Lake Nahwatzel RC Float Club(LNRCFC)--who are also members of SFRCF--participated in two float-flys at Lake Isabella on June 20 and July 11.

I have created galleries of images at:  
<http://www.selectdigitals.com>

which show what these events were like. The following is a short description of each gallery:

“A Second Fly-in at Hunter Farms” -- On Sunday, July 12, the Sanderson Field RC Flyers(SFRCF) held a second, monthly fly-in at Hunter Farms, Union, Washington. The sky was cloudy--and the clouds were sometimes threatening. Still, the breeze was steady down the runway and there was a generous number of sun-breaks throughout the day.

“The Second Joint TCMAA and LNRCFC Float Fly for 2015” -- On Saturday, July 11, 2015, the Thurston County Miniature Aircraft Assn(TCMAA) and Lake Nahwatzel RC Float Club(LNRCFC) held the second of three joint float events for 2015. The day started out problematical. It was a bit windy and the clouds were threatening. Rain appeared to be on its way. Later, the rain and wind disappeared and the flying conditions remained excellent until the end of the event. Thanks for the great lunch, too, TCMAA. Note: as you can see from the images, there were a lot of mosquitos on the lake (otherwise known as Icons), thanks to Thom Martin, Mark Anderson, and Gordon Osberg.

“Students Come to Sanderson Field” -- On Friday, July 10, 2015, a group of children arrived at Sanderson Field, Shelton, Washington, in a yellow, Hood Canal School District bus. They were treated to an aviation learning experience they will not soon forget. This gallery tells the story of their visit.

“2015 Olympic Airshow” -- This gallery of images tells the story of the 2015 Olympia Airshow. The gallery includes images of the scale R/C aircraft display and also shows the fire and

smoke from a jet car as it raced warbirds to the finish line (you had to be there to hear the thunder from the engine).

“The First Joint TCMAA and LNRCFC Float Fly for 2015” -- On Saturday, June 20, 2015, the Thurston County Miniature Aircraft Assn and Lake Nahwatzel RC Float Club held the first of three joint float events for 2015. The day turned out to be perfect for flying: the sun was out and the lake was calm. The images below will give you a good idea of what the day was like.

“Scale Masters Qualifier” -- This gallery of images tells the story of the Scale Masters Qualifier held at Sanderson Field, Shelton, WA, on May 29-31, 2015. The images highlight the pilots and the beautiful scale planes they flew.

“A Fly-in at Hunter Farms” -- On May 16, the Sanderson Field RC Flyers (SFRCF) held a fly-in at Hunter Farms, Union, Washington: the club’s grass flying field is located at the farm. The day was cloudy but the flying conditions were otherwise great.

The gallery images are of both the flying and the beautiful environment.

# HABITAT TAKES FLIGHT

The port manager asked the club to participate in Habitat takes flight, an event to raise money for, that's right Habitat for Humanity. We set up a table for a flight simulator, brought our float trailer out and displayed some of our models and also set up for display flights and "buddy boxing" over in the field next to the runway. The event wasn't as well attended as hoped but there were lots of planes there including a P-51 Mustang.

We didn't have many folks come over to the field for "buddy boxing" but a lot of

people stopped by the display. We had a good time and got some community exposure.
