Oysterfest Success

CLUB MEETING

*This months meeting will be held
on Thursday November 12th.*

PUD #3

**2621 E Johns Prairie
Rd**

Minutes read and accepted as read.

Treasurers report read and accepted as read.

Board meeting:

We have a date for the scale event this year and have submitted it to the port. May 14&15

We have informed the port of our intent to renew.

Tom Strom wishes to try to rebuild pylon racing in this district by have 1 day pylon races this winter, there would be no fee from the port as they don't sell anything in the winter, the races would only be about a half a day and we could have lunch and a fly-in after. They are looking at Oct and Nov and also Feb and March. Tom Strom motioned to get some dates for winter races Seconded and passed.

Bob Mason proposed the idea of an exploratory committee to be a clearing house for flying site information and to check out leads for flying sites. A committee

was formed of Bob Treinen, Tom Strom Jr. and Bob Mason. A question about the raceway property was raised, Tom Jr. said they were still interested but have been to busy with the race season, he will try to get a meeting this month sometime.

Oysterfest was a big success, Big thanks to Bob and Sue Treinen, Jody and Sharon Diaz and everyone else who helped. We grossed \$7,030, our expenses were \$2,961 and the Rotary will take 1/3rd \$1,342 which will leave us \$2,778 profit at minimum, Bob is still negotiating with the Rotary.

Stacy Myers motioned to do Oysterfest annually. Motion carried. Tom Jr. motioned we purchase the sandwich machine from the dive club for a competitive price, motion carried.

Some of the ideas to improve the Oysterfest process are:

Reduce the number of simulators and use it for training.

Use timers to limit time on the simulators,

Use both tents for the display booth.

Make up a poster for initial costs of getting into RC.

Make up a bread board of an airplane to help explain the workings of RC.

Shorten the shifts to spread the work.

Have a better variety of airplanes at the display booth.

Have an orientation before Oysterfest for training purposes.

Marc Winz motioned to reimbursed Dick Robb \$523 for table rental for the swap meet. Dick Robb also mentioned that 70% of the tables have been sold and that if you want a table you had better not wait till the last minute.

No new officer nominations, Stacy Myers motioned to continue with current officers. Motion seconded and passed.

We had 5 people get their solo certificates, Congratulations to:

Jeff Sterba

Dennis Marcus

Hunter Bourgault

Bill Judge

Rob Koenig.

Justin was drawn for the year end free membership.

Meeting adjourned 7:58

OYSTERFEST

Oysterfest 2015 is over and was a big success. I heard estimates of almost 20,000 people over the two days. The weather was absolutely perfect for the event.

We bought 80lbs of crab to start with but after the first day we were almost out. Big thanks to Sue Treinen for picking up another 15lbs to get us through Sunday. Even with the extra crab we sold out about 3 pm on Sunday.

I'll put a few pictures on this page but Royce Tivel has a nice gallery of photos on his website if you want to see more:

PRESIDENT'S CORNER

Hi everyone,

Fall has definitely arrived. Do you have your winter project yet? If not, don't forget the 2015 South Sound R/C Swap-Meet at the Olympic Flight Museum. The doors will be open to the public from 9:00 a.m. to 3:00 p.m. on Saturday, November 7. I am sure there will be good stuff.

Volunteers will be needed on Friday, November 6th at 10:00 am. There will be a lot of tables to set up, any help would be greatly appreciated. For table holders, the museum will be open from 11:00 a.m to 3:00 p.m. on Friday, November 6, and from 8:00 a.m. on Saturday. If you have any questions, contact Dick Robb at 360-427-4521

or 360-463-1137 or visit <http://rcsouthsound.com/>

Good karma has come to our scholarship program. A few years back, we gave a scholarship to a student named Breana Chavez. Breana has put it to good use and has had job offers from Boeing, and other big companies.

Breana's family is very proud of her. Breana's grandfather, Al Lester, has always been grateful that our club gave Breana the scholarship. Coincidentally, Al was an avid R/C flyer himself. Due to some problems, he isn't flying much anymore, so he decided to donate most of his hobby inventory to the club to be sold at the South Sound R/C Swap-Meet. All of the proceeds

from the Al Lester table will go towards the club scholarship. There is a trainer, a couple of incomplete kit-plane projects that need finished, Monokote, building supplies, kits, engines, and much more.

Al's son John met me on two occasions with his father's inventory. Special thanks to the Lester family for their contributions and support to the club scholarship program.

DUES ARE \$75 IF PAID BEFORE JAN 1ST, \$100 THEREAFTER.

IF YOU PAY BY MAIL SEND YOUR DUES, PROOF OF 2016 AMA MEMBERSHIP AND A SELF ADDRESSED STAMPED ENVELOPE TO THE TREASURER:
