CHARTER NO. 3079

Swap Meet - Club Elections

CLUB MEETING

*This months club meeting will be held
on Thursday November 10th. at*

Taylor Station
62 SE Lynch Rd,
Shelton, WA 98584

The November meeting will be at Taylor Station due to a staffing problem at the PUD. All future meetings will be at the PUD but on the John's Praire side. That's where the church group was.

If you want to be part of the club officers election don't forget to:

**email your ballot
mail your ballot or
bring your ballot to the
November meeting at Taylor
Station.**

**if you have not received a
ballot please let me know!**

After paying the bills for Oysterfest and taking the \$333.33 deduction for the cooker we had \$2655.69 in profit out of that we owe the Rotary \$885.23

(1/3 of the profits minus the deduction for the cooker) That's where the Rotary makes it's profit. We cleared \$1707.46

Jody thanked everyone for the help at Oysterfest.

Jack went through the club expenses and as it stands now with current membership we only have around \$480 left after the bills are paid. The point is that we can't lower the dues without going in the hole.

The swap meet is funding the Scholarship program.

The cooker is going to need new bulbs, there a 6 of them and Bob Treinen has found some for about \$33 a bulb. Tom Jr. motioned to spend up to \$500 on the cooker, replacing the top bulbs and rheostat. Bob will try cooking a crab sandwich after the repairs to be sure it's working properly. We need to keep the repair receipts as the cost of the repairs can be deducted from the 1/3 the Rotary takes.

We were approached by Lions club to sell our crab sandwiches at a Lions club event in Spanaway next spring. Booths cost \$65 but all profits are ours to keep. We will get more info next year.

The Colonial house has been reserved, it's only \$150 this year because we are non-profit. The Christmas party is December 8th from 6 to 9. Setup at 5:00.

The membership application has been updated with a section asking where the applicant heard about our club.

Bob Beatty motioned to hold the Scale event again next year, motion carried. Tom was asked by the NWSAM if we could move the date to May 19th-21st. I will try to get the dates.

Tom Jr. brought up the idea club shirts, he will get some samples for the next meeting.

(Minutes continued on page 4)

SOUTH SOUND RC SWAP MEET NOV. 5TH 2016

The South Sound RC swap meet is almost upon us again, it's time to dust off that old junk, I mean that rusty gold, uh well you know what I mean. Get that stuff ready for the swap meet. Lot's of us are doing winter projects this year and if you haven't gotten one yet this might be a good time to find one.

Previous years have had a very good turn out and we expect the same this year.

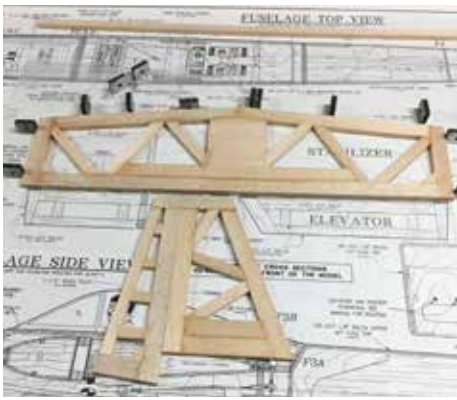

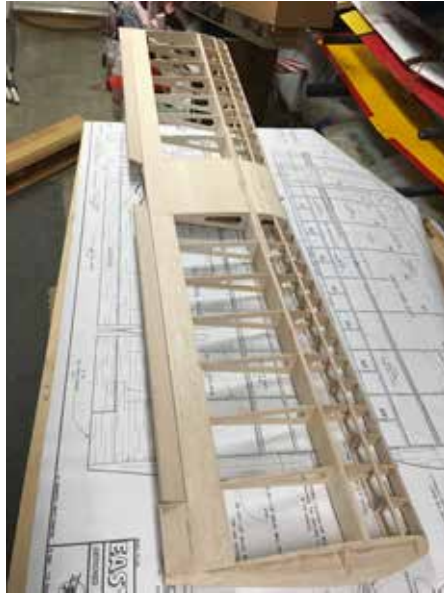

All pictures are from the 2015 swap meet courtesy of Royce Tivel

MY WINTER BUILD

By Bob Beatty

I believe my third airplane was an Great Planes Easy Sport and this is my third one. The first one I lost to the transition to 2.4, The second one I neglected my control check and ...

This is such a fun airplane that I just had to have another one. I'm not fond of the ARF and the kit is no longer for sale so I went to RC groups and found one. Three weeks later with a lot of help on the covering job (thanks Tom) viola, a new Easy Sport.

Now I can get back to work on the P-47 :)

OCTOBER MEETING MINUTES (CONTINUED)

Sharon asked about improving Oysterfest, one suggestion was buying less crab and picking up more Sunday if needed, more room in our booth would also be helpful. Perhaps only one flight simulator.

Table prices for the swap meet are the same as last year (\$523). 50 out of 70 tables have been sold, there are tables of all kinds left but enough have been sold to cover costs. there are now 7 Raffle prizes you can see (soon) on <http://www.rcsouthsound.com>. Dick has asked for help Friday Nov. 4th at 10:00 setting up tables. Dick asked Sharon to re advertise the swap meet.

Jim Good told everyone about Hoodsport lions club Veteran's appreciation day on November 12th from 12 to 3. Get there early as parking is limited. no charge hamburgers and hot dogs. The speaker is someone who was high up in

the pentagon.

We have some indoor flying dates. All dates are from 6:00 to 8:00 in the mini dome
Monday October 17th
Monday October 24th
Friday November 4th

Officer Nominations:

- PresidentJody Diaz
- Vice PresidentBob Treinen, Dave Windom
- TreasurerJack Mitchell
- SecretarySharon Diaz
- Safety OfficerTom Strom Jr.
- Board AltChuck Kentfield, Dick Robb, Bill Judge and Jeff Sterba.

You will receive a ballot soon, ballot counting will be at the November meeting, majority vote shall determine the winner. New officers will take office at the January meeting. Marc Winz was drawn for the

year end drawing.

Meeting adjourned 8:00

The Christmas party is free again this year, we will be having the usual gift exchange. \$10 limit and hobby gifts for the guys and ladies gifts for the women. I've started a list (1 item on it so far) of dishes being brought for the christmas dinner. The club is providing the meat and the rest is pot-luck.

DUES ARE \$75 IF PAID BEFORE JAN 1ST, \$100 THEREAFTER.

IF YOU PAY BY MAIL SEND YOUR DUES, PROOF OF 2017 AMA MEMBERSHIP AND A SELF ADDRESSED STAMPED ENVELOPE TO THE TREASURER:

SANDERSON FIELD R/C FLYERS 2016/2017 WINTER BUILD CHALLENGE.

Sanderson Field R/C Flyers
2016/2017 Winter Build Challenge.

Welcome to the SFRCF Winter Build Challenge. The idea of the challenge is to encourage people to build model aircraft. You will not be judged on your building skills. That is not what the challenge is about. The point of this challenge is to encourage people to build, and to create a platform to help each other out with tips and techniques.

We will have a maiden flight fly-in. The aircraft must take off, make at least one lap and land. If you are not comfortable flying your plane, you can have someone else fly it for you.

At that time successful entrants names will be placed in a hat. A name will be drawn to win a kit, and a \$50 gift card to Kay Jewelers (more prizes have been added, and will continue to grow).

Here are the build challenge rules! Remember to post your picture in the Sanderson Field R/C Flyers google group.

Here are the rules:

1. Must be a new build from a balsa kit. No repair jobs of previously flown aircraft.

2. Must post at least one pic of the build in the R/C Flyers Google Group, and must be a current picture.

3. No ARF's or Foamies.

4. Previously started kits ok, but must be less than 50% completed/not covered when picture is posted.

5. Can be any size or type of kit (lock/tab, die cut, scratch built)

6. Can be glow, gas or electric

7. Open to any AMA club member

8. Must be completed prior to AND flown at maiden party

9. All progress photos will be shared with the Sanderson Field R/C Flyers Facebook Group <https://www.facebook.com/groups/1763589947213837/>

We have been fortunate enough to have companies support us with our events in the past. And once again, two great companies have stepped up to support this event. Huge thank you to Thom and Deanna Martin of <http://olympia.rc-hobbies.com/>, and Bruce Tharpe of <http://www.btemodels.com/>.

We appreciate you greatly.

Thom and Deanna Martin of Remote Control Hobbies Olympia offered to donate a kit. Thank you Thom and Deanna for your support. :)

Bruce Tharpe of Bruce Tharpe Engineering donated a Venture 60. Thank you Bruce for your support.

Special thanks to Gregg Marshall of the Portland SkyKnights Radio Control Modeling Club for sharing your idea.

Happy building,

Jody Diaz
