

SANDERSON FIELD R.C. NEWS

CHARTER NO. 3079

Christmas party at Calvary Fellowship Church

Thursday December 14th

CLUB MEETING

Treasurers report was read and accepted as read.

There were no nominations for officers so last years officers will remain in office.

The Christmas party is next month on the regular meeting day December 14th. Aaron will cook a Turkey and Dave is doing a ham.

I will be maintaining a list for the remaining pot luck, so let me know what you are bringing so we don't have too many duplicates. We will be doing the usual gift exchange, one for the ladies and one for the guys. Please email me if you have any questions.

Aaron will check with the Port about our usual event dates and also about

putting a container in place of our shed.

A motion was made to purchase an ARF (foamy or otherwise) and have a raffle at the end of the year for people who work events only in an effort to get more people involved with helping at events. The more you work the more tickets you get giving you a better chance to win. Seconded and passed.

Do we want to hold a swap meet this coming year.

There were no nominations so you're stuck with the same officer next year.

Meeting adjourned 7:40

FRIA NEWS

Hunters has been approved as a FRIA. They are still looking at Sanderson and have asked three questions.

1. How do the sky divers impact you operations
2. Is your area fenced
3. How long have you been in operation

These questions have been answered and we are back to waiting for the determination from the FAA.

I want to remind everyone that January 1st is coming up, if you haven't renewed before then it will cost you \$100. Before January 1st it's \$75. Also the lock combinations will be changed on the 1st for the new year.
