Jack read the Treasurer Report.
Treasurer Report Passed as read

Old Business

Dick Robb had a suggestion of
adding a # scale for the survey

Mike suggested distributing the
survey using an online survey
program.

Tom Strom Jr reported that the Port
of Shelton was pleased with the
runway repair the club did.

New Business

Tom Strom informed members
that there is a chance (just a
chance) that the race cars will not
be putting on there events on our
runway

Jody talked to Hunter Farms in
regards to there concern with how
much area the club is using. We
were instructed to go back to the
original agreement of just cutting
the runway, taxi ways and pits.
Overall, they are very happy with
us, but the price of hay is going up
and they may choose to hay the
field.

Tom Strom talked about the Master
Scale Event. He would contact
club members that were interested
in being judges on a date for
getting together and going over
guidelines.

The 4 new members introduced
themselves.

Dick Robb talked about doing a
presentation at the Olympia Air
Show.

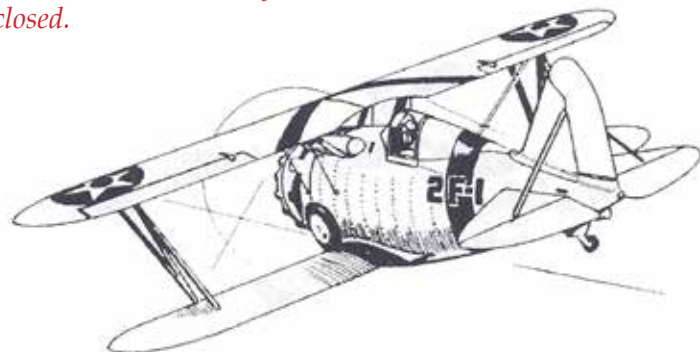

*We've had our first cancellation,
March 7th and 8th the runway is no
longer closed.*

Hello everyone! Here is the
info promised for anyone that
is interested in becoming a
judge for scale events in and
around our area. All you need
to do is email Doug MacMillan
at aeronaut@telus.net, and he
will send you a judges packet.
Also, you can find valuable
information on the Northwest
Scale Modelers website at

www.nwsam.org

From there you scroll over to
the tab marked "About Us", and
click on "Judges Corner". If you
have any other questions, please
let me know. As soon as I can set
up a judges clinic I will let you
all know! Thanks guys!!

Tom Strom Jr.

VACATION

While not really on vacation, I was in Arizona for three weeks getting some dental work done and managed a couple of RC related side trips.

First I drove down to Florence AZ and met club member Ken Nelson at his winter get away. Ken and I drove out to the local RC field which Ken is a member and got a couple of flights in. The field there is really nice. The City of Florence gave them a grant for which they must hold 3 events. I took a few Pics.

I also spent a couple of days at the Speed world pylon Race. Congrats to Brian Richmond for taking 3rd over all. The weather was just about perfect and almost 80 pilots showed up. Tom Jr. did pretty well and ended up 28th. Marc Winz lost an aileron servo and dropped out.

The field in Florence even has a solar powered charging station

DUES ARE \$75 IF PAID BEFORE JAN 1ST, \$100 THEREAFTER.
