CLUB MEETING

This month's club meeting will be held on Thursday, January 12th, 2017 at 7:00pm

PUD #3

2621 E. John's Prairie Rd, Shelton WA 98584

CLUB ANNUAL CHRISTMAS PARTY

The club held there annual Christmas Party last month. It was a wonderful evening full of good food, and great conversation. It was great to see everyone come together and celebrate the holiday season.

Special thanks to all who helped make it happen with the delicious dishes, and the beautiful festive decorations.

Congratulations to all the raffle winners. There were great raffle prizes this year. Among the many winners who won prizes were Jack Mitchell, who won the /Carl

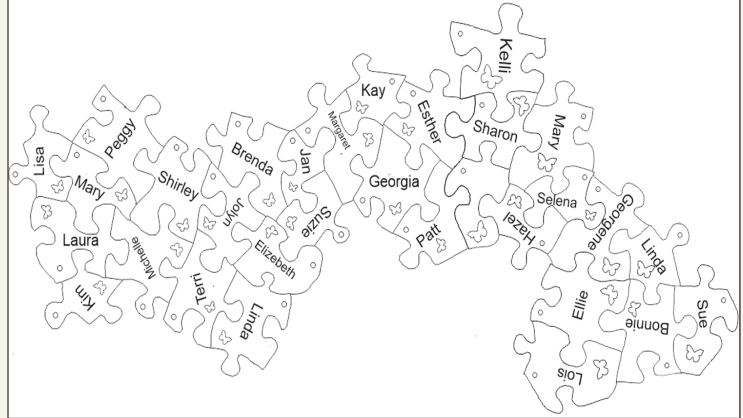

Goldberg Anniversary Edition Cub kit. And Bob Treinen, who won the Legacy Aviation 44" Turbo Duster ARF.

We are very grateful for the continued support and generosity from Thom and Deanna Martin of Remote Control Hobbies www.rc-hobbies.com/olympia, and Tim Hanstine of Northwest R/C at northwestrc.com You can visit there websites or store. The customer support for both businesses is top notch.

CLUB LADIES PUZZLE PIECE PENDANT

All club spouses are given a puzzle piece pendant with an airplane charm. If your significant other hasn't received her pendant, please email Sharon Diaz at sharonelenya@gmail.com. If you don't see your spouses name listed, please email me with the name and I will have a puzzle piece ordered.

"If you can walk away from a landing, it's a good landing. If you use the airplane the next day, it's an outstanding landing."
Chuck Yeager

2017 ANNUAL NEW YEAR'S DAY FIRST FLIGHT OF THE YEAR

The long standing brave, bold and crazy tradition of flying on the first day of the year was a great success. Those who ventured out all bundled up (it's the one day of the year Bob Beatty doesn't wear his Birkenstock's) in freezing temperatures to start the new year by flying their planes had a great time. Their fingers were frozen while they flew their planes in the beautiful winter sky, and landed on the slushy runway.

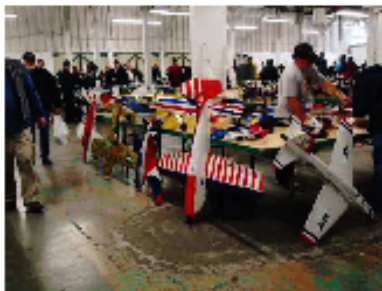

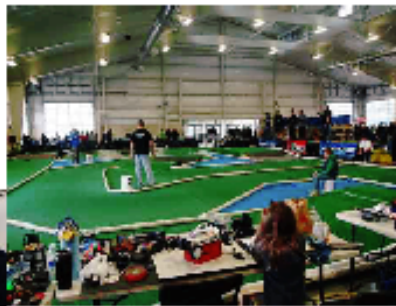

North West MODEL HOBBY

RV spaces are \$20 Per night

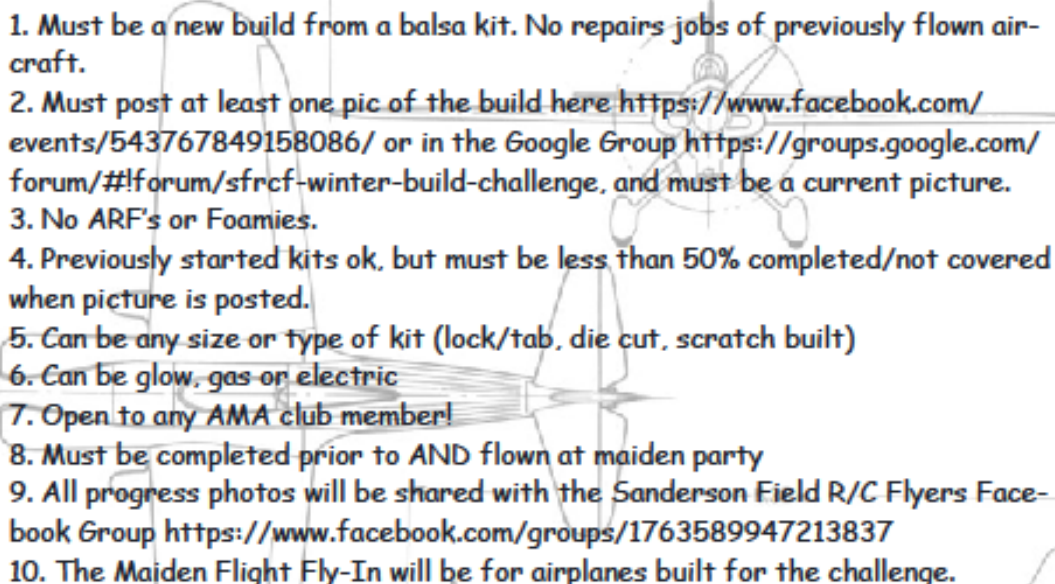

No hook up , showers available at the Fairgrounds

SANDERSON FIELD R/C FLYER'S WINTER BUILD CHALLENGE

Welcome to the SFRCF Winter Build Challenge. The idea of the challenge is to encourage people to build model aircraft. You will not be judged on your building skills. That is not what the challenge is about. The point of this challenge is to encourage people to build, and to create a platform to help each other out with tips and techniques.

We will have a Maiden Flight Fly-In on June 10th at the Sanderson Field R/C Flyers paved runway. The aircraft must take off, make at least one lap and land. If you are not comfortable flying your plane, you can have someone else fly it for you. At that time successful entrants names will be placed in a hat. A name will be drawn to win a kit, and a \$50 gift card to Kay Jewelers (more prizes have been added, and will continue to grow). Special thanks to Remote Control Hobbies and Bruce Tarpe Enterprises for the donations.

Here are the build challenge rules!

- 
1. Must be a new build from a balsa kit. No repairs jobs of previously flown aircraft.
 2. Must post at least one pic of the build here <https://www.facebook.com/events/543767849158086/> or in the Google Group <https://groups.google.com/forum/#!forum/sfrcf-winter-build-challenge>, and must be a current picture.
 3. No ARF's or Foamies.
 4. Previously started kits ok, but must be less than 50% completed/not covered when picture is posted.
 5. Can be any size or type of kit (lock/tab, die cut, scratch built)
 6. Can be glow, gas or electric
 7. Open to any AMA club member!
 8. Must be completed prior to AND flown at maiden party
 9. All progress photos will be shared with the Sanderson Field R/C Flyers Facebook Group <https://www.facebook.com/groups/1763589947213837>
 10. The Maiden Flight Fly-In will be for airplanes built for the challenge.
