

Welcome to the 1st Annual Tom Strom Sr. Memorial Fly In

Hosted by Bigfoot Hobbies and the Sanderson Field RC Flyers, this event is to honor our former club president and his contributions to not only our club, but to model aviation as well. This event will be held at the Sanderson Field RC Flyers site in Shelton, WA. The flying site is on the inactive runway at Sanderson Field, and it features a 2000'x200' paved runway! There will be a raffle at the end of the weekend, a vendor booth from Bigfoot Hobbies, vendor product demos, a tailgate swap meet, and a display of some of Tom Strom Sr's aircraft. So come out and enjoy a great weekend of model aircraft and celebrate Tom Sr. with us! There is a ton of pit area for awnings and chairs, and food concessions will be available to purchase on site for breakfast and lunch.

Directions: Go North on HWY 101, go past the main entrance to Sanderson Field. Sanderson Way is the next turn to the left. This is the industrial entrance. Turn left on Sanderson Way, the road winds around a little but stay on the main road. Watch on the left and you will see the runway we fly from. Go past the gate that looks down the runway to the second gate.

Remote control and control line open flying allowed all weekend, except during vendor demo periods. We cannot allow free flight or FPV flying at our facilities. Turbines are welcome. **Note:** Bring a sport plane to compete in our fun fly competition.
